La svastica sul sole *Fanucci Editore*

Le forze dell’Asse hanno vinto la seconda guerra mondiale e l’America è divisa in due parti, l’una asservita al Reich, l'altra ai Giapponesi. Sul resto del mondo incombe una realtà da incubo: il credo della superiorità razziale ariana è dilagato a tal punto da togliere ogni volontà o possibilità di riscatto. L’Africa è ridotta a un deserto, vittima di una soluzione radicale di sterminio, mentre in Europa l'Italia ha preso le briciole e i Nazisti dalle loro rampe di lancio si preparano a inviare razzi su Marte e bombe atomiche sul Giappone. Sulla costa occidentale degli Stati Uniti i Giapponesi sono ossessionati dagli oggetti del folklore e della cultura americana, mentre gli sconfitti sono protagonisti di piccoli e grandi eventi. E l'intera situazione è orchestrata da due libri: il millenario I Ching, l’oracolo della saggezza cinese, e il best-seller del momento, vietato in tutti i paesi del Reich, un testo secondo il quale l’Asse sarebbe stato sconfitto dagli Alleati...

La svastica sul sole

The Man in the High Castle *Houghton Mifflin Harcourt*

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

La svastica sul sole

La svastica sul sole. Un caso di storia controfattuale *PM edizioni*

Il volume propone un’analisi in termini narratologici del romanzo di Philip K. Dick La svastica sul sole, sottolineando come l’opera in questione non solo sia un ottimo prodotto di fantascienza, ma anche come possa funzionare in termini di storia controfattuale tramite l’analisi di eventi storici, reali e del romanzo e le loro relazioni semiotiche, permettendo di evidenziare come la narrazione presenti un mondo alternativo ma che “avrebbe potuto essere”. Monsoon *Macmillan*

Monsoon, a Courtney Family Adventure from Wilbur Smith One man. Three sons. A powerful destiny waiting to unfold. Monsoon is the sweeping epic that continues the saga begun in Wilbur Smith's bestselling Birds of Prey. Once a voracious adventurer, it has been many years since Hal Courtney has dared the high seas. Now he must return with three of his sons - Tom, Dorian, and Guy - to protect the East India Trading Company from looting pirates, in exchange for half of the fortune he recovers. It will be a death or glory mission in the name of the crown. But Hal must also think about the fates of his sons. Like their father before them, Tom, Dorian, and Guy are drawn inexorably to Africa. When fate decrees that they must all leave England forever, they set said for the dark, unexplored continent, seduced by the allure and mystery of this new, magnificent, but savage land. All will have a crucial part to play in shaping the Courtneys' destiny, as the family vies for a prize beyond any of their dreams. In a story of anger and passion, peace and war, Wilbur Smith evinces himself at the height of his storytelling powers. Set at the dawn of eighteenth-century England, with the Courtneys riding wind-tossed seas toward Arabia and Africa, Monsoon is an exhilarating adventure pitting brother against brother, man against sea, and good against evil.

Wolfenstein #1 *Titan Comics*

A new comic from the world of the best-selling Wolfenstein videogames, written by Dan Watters (Assassin’s Creed, Limbo). Dive headfirst into the alternate universe of Wolfenstein, a world where the Nazis won the war thanks to super-advanced killing machines and vicious robot dogs. B.J. Blazkowicz returns to take on the Nazis in this new comic, based on the much beloved gaming franchise. Can Blazko stop the march of goose-stepping boots? Or will the sinister Hans Hartmann get his way? p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

Fatherland *Harper Collins*

Twenty years after Germany's victory in World War II, while the entire country prepares for the U.S. president's visit, Berlin Detective Xavier March attempts to solve the murder of a high-ranking Nazi commander. Reprint.

Electric Dreams

Fanucci Editore

Dopo i successi di Blade Runner, Blade Runner 2049, Minority Report, Atto di forza e la serie tv The Man in the High Castle tratta dal romanzo La svastica sul sole, Philip K. Dick è di nuovo sul piccolo schermo con Philip K. Dick’s Electric Dreams. Cupe, profetiche ed estremamente potenti, le storie di questa antologia mettono in luce un maestro al lavoro, dotato di sconfinata immaginazione e di una capacità non comune di comprendere ed esplorare la condizione umana. All’interno i dieci racconti sui quali si basa la serie televisiva Philip K. Dick’s Electric Dreams di Amazon Prime Video: Il fabbricante di cappucci, Il pianeta impossibile, Il pendolare, Vendete e moltiplicatevi, Un pezzo da museo, Umano è, L’impiccato, Autofac, Foster, sei morto e La cosa-padre. La serie, prodotta e ideata da tre nomi cult del mondo del cinema e della televisione – Bryan Cranston, protagonista di Breaking Bad, Ronald D. Moore, produttore di Battlestar Galactica e Outlander, e Michael Dinner, produttore di Grey’s Anatomy –, rende omaggio a uno dei più importanti autori di fantascienza al mondo, capace di segnare l’immaginario collettivo di intere generazioni.

Swastika Night *Feminist Press at CUNY*

Seven hundred years after Hitler's conquest of Europe men are encouraged to follow the soldierly virtues, while women are reduced to breeders and victims

I Am Alive and You Are Dead

A Journey into the Mind of Philip K. Dick *Metropolitan Books*

For his many devoted readers, Philip K. Dick is not only one of the "one of the most valiant psychological explorers of the 20th century" (The New York Times) but a source of divine revelation. In the riveting style that won accolades for The Adversary, Emmanuel Carrère's I Am Alive and You Are Dead, follows Dick's strange odyssey from his traumatic beginnings in 1928, when his twin sister died in infancy, to his lonely end in 1982, beset by mystical visions of swirling pink light, three-eyed invaders, and messages from the Roman Empire. Drawing on interviews as well as unpublished sources, he vividly conjures the spirit of this restless observer of American postwar malaise who subverted the materials of science fiction--parallel universes, intricate time loops, collective delusions--to create classic works of contemporary anxiety.

Blade Runner *Harvill Press*

Science fiction-roman om livet på Jorden efter en altødelæggende krig, hvor de få overlevende kommer i konflikt med de menneskelignende robotter, androider, som de selv har skabt

The Man in the High Castle and Philosophy

Subversive Reports from Another Reality *Open Court Publishing*

The Man in the High Castle is an Amazon TV show, based on the Philip K. Dick novel, about an “alternate present” (beginning in the 1960s) in which Germany and Japan won World War II, with the former Western US occupied by Japan, the former Eastern US occupied by Nazi Germany, and a small “neutral zone” between them. A theme of the story is that in this alternative world there is eager speculation, fueled by the illicit newsreel, The Grasshopper Lies Heavy, about how the world would have been different if America had won the war. In The Man in the High Castle and Philosophy, twenty-two professional thinkers look at philosophical issues raised by this ongoing enterprise in “alternative history.” One question is whether it really made a profound difference that the Allies won the war, and exactly what differences in everyday life we may expect to arise from an apparent historical turning point. Could it be that some dramatic historical events have only superficial consequences, while some unnoticed occurrences lead to catastrophic results? Another topic is the quest for truth in a world of government misinformation, and how dissenting organizations can make headway.

Philip K. Dick

Tossine metaboliche e complessi illusori prevalenti *Mimesis*

A quasi quarant’anni dalla morte di Philip K. Dick, la sua opera pare aver raggiunto la dimensione del classico minore, non tanto nel suo valore letterario quanto nel suo statuto di fenomeno culturale. Questo studio costituisce un tentativo di sfrondare l’evento letterario dalla selva di sovra-interpretazioni che negli anni lo hanno ricoperto, quasi soffocandolo. Fuor di metafora, le analisi sulle implicazioni metafisiche dell’opera di Dick, nella loro ampiezza e profondità, hanno finito per diventare loro stesse soggetto di discussione, oscurando i testi da cui erano originate. Il distacco temporale dai momenti più infuocati della creazione del “fenomeno Dick” consente di dare luce ad alcuni testi rimasti in un angolo, e di riprendere letture dell’opera di Dick trascurate nel fervore delle interpretazioni più militanti. Larga parte dello studio è dedicata all’individuazione di alcuni intrecci intertestuali nella produzione dickiana con particolare riferimento a modelli scandinavi, con l’intenzione di tracciare percorsi di ricerca originali. Approfondita è la descrizione degli infl ussi letterari di area scandinava dall’esterno verso l’interno, da August Strindberg a Dick. Inedita è poi l’analisi dell’infl usso di Dick su Lars Gustafsson che indica tutta la portata della sua forza ispiratrice. Stefano Carducci (Venezia 1955) è laureato in letteratura americana all’Università Ca’ Foscari Venezia con una delle prime tesi dedicate alla fantascienza. Dal 1983 al 1990 ha collaborato con la Perseo libri di Bologna curando la rivista “Nova SF*” e i romanzi di Brian W. Aldiss, Christopher Priest, Ian Watson, e altri. Ha tradotto tra gli altri Michael Moorcock, Theodore Sturgeon, Lucius Shepard, K.S. Robinson. Ha pubblicato numerosi romanzi, racconti e saggi sul fantastico in diverse pubblicazioni del settore.

Wannsee

The Road to the Final Solution *Oxford University Press*

The complete story of the Wannsee Conference, the meeting that paved the way for the Holocaust. On 20 January 1942, fifteen men arrived for a meeting in a luxurious villa on the shores of the Wannsee in the far-western outskirts of Berlin. They came at the invitation of Reinhard Heydrich and were almost all high-ranking Nazi Party, government, and SS officials. The exquisite position by the lake, the imposing driveway up to the villa, culminating in a generously sized roundabout in front of the house, the expansive, carefully landscaped park, the generous suite of rooms that opened on to the park and the lake, the three-level terrace that stretched the entire garden side of the house, and the winter garden with its marble fountain, all give today's visitor to the villa a good idea of its owner's aspiration to build a sophisticated, almost palatial structure as a testament to his cultivation and worldly success. But the beauty of the situation stood in stark contrast to the purpose of the meeting to which the fifteen had come in January 1942: the 'Final Solution of the Jewish Question'. According to the surviving records of the meeting, items on the agenda included the precise definition of exactly which group of people was to be affected, followed by a discussion of how upwards of eleven million people were to be deported and subjected to the toughest form of forced labour, and following on from this a discussion of how the survivors of this forced labour as well as those not capable of it were ultimately to be killed. The next item on the agenda was breakfast.

In the Presence of Mine Enemies *Penguin*

In a novel of alternative history, Germany has won World War II, and in the twenty-first century rules most of Europe and North America, but beneath an Aryan facade, Jews survive within the Nazi regime, hoping not to be detected. Reprint.

Simulacra

2

The Cosmic Puppets

A Novel *Vintage*

Yielding to a compulsion he can’t explain, Ted Barton interrupts his vacation in order to visit the town of his birth, Millgate, Virginia. But upon entering the sleepy, isolated little hamlet, Ted is distraught to find that the place bears no resemblance to the one he left behind—and never did. He also discovers that in this Millgate Ted Barton died of scarlet fever when he was nine years old. Perhaps even more troubling is the fact that it is literally impossible to escape. Unable to leave, Ted struggles to find the reason for such disturbing incongruities, but before long, he finds himself in the midst of a struggle between good and evil that stretches far beyond the confines of the valley. Winner of both the Hugo and John W. Campbell awards for best novel, widely regarded as the premiere science fiction writer of his day, and the object of cult-like adoration from his legions of fans, Philip K. Dick has come to be seen in a literary light that defies classification in much the same way as Borges and Calvino. With breathtaking insight, he utilizes vividly unfamiliar worlds to evoke the hauntingly and hilariously familiar in our society and ourselves. From the Trade Paperback edition.

Norby the Mixed-Up Robot *Courier Corporation*

Jeff Wells, a Space Academy student, and Norby, a second-hand robot with unusual abilities, find themselves involved in the sinister plans of Ing the Ingrate, who intends to take over the universe.

The Three Stigmata of Palmer Eldritch *Hachette UK*

In the overcrowded world and cramped space colonies of the late twenty-first century, tedium can be endured through the use of the drug Can-D, which enables the user to inhabit a shared illusory world. But when industrialist Palmer Eldritch returns from an interstellar trip, he brings with him a new drug, Chew-Z, which is far more potent than Can-D. But could the permanent state of drugged illusion it induces be part of something much more sinister?

Zero History *Penguin*

Hollis Henry never intended to work for global marketing magnate Hubertus Bigend again. But now she’s broke, and Bigend has just the thing to get her back in the game... Milgrim can disappear in almost any setting, and his Russian is perfectly idiomatic—so much so that he spoke it with his therapist in the secret Swiss clinic where Bigend paid for him to be cured of his addiction... Garreth doesn't owe Bigend a thing. But he does have friends from whom he can call in the kinds of favors powerful people need when things go sideways... They all have something Bigend wants as he finds himself outmaneuvered and adrift, after a Department of Defense contract for combat-wear turns out to be the gateway drug for arms dealers so shadowy they can out-Bigend Bigend himself. “Zero History is [Gibson’s] best yet, a triumph of science fiction as social criticism and adventure.”—BoingBoing.net

The Plot Against America**A Novel** *HarperCollins*

Philip Roth's bestselling alternate history—the chilling story of what happens to one family when America elects a charismatic, isolationist president—is soon to be an HBO limited series. In an extraordinary feat of narrative invention, Philip Roth imagines an alternate history where Franklin D. Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A. Lindbergh. Shortly thereafter, Lindbergh negotiates a cordial “understanding” with Adolf Hitler, while the new government embarks on a program of folksy anti-Semitism. For one boy growing up in Newark, Lindbergh’s election is the first in a series of ruptures that threaten to destroy his small, safe corner of America—and with it, his mother, his father, and his older brother. "A terrific political novel . . . Sinister, vivid, dreamlike . . . creepily plausible. . . You turn the pages, astonished and frightened.” — The New York Times Book Review

The Crack in Space *Houghton Mifflin Harcourt*

In The Crack in Space, a repairman discovers that a hole in a faulty jifi-scuttler leads to a parallel world. Jim Briskin, campaigning to be the first black President of the United States, thinks alter-Earth is the solution to the chronic overpopulation that has seventy million people cryogenically frozen; Tito Cravelli, a shadowy private detective, wants to know why Dr. Lurton Sands is hiding his mistress there; billionaire mutant George Walt wants to make the empty world all his own. But when the other Earth turns out to be inhabited, everything changes.

The World Jones Made *Houghton Mifflin Harcourt*

What if you could see into the future? Award-winning author Philip K. Dick examines precognition in this influential novel.

Eye In The Sky *HarperCollins*

“I have never seen [its] theme handled with greater technical dexterity or given more psychological meaning.”—Fantasy and Science Fiction When a routine tour of a particle accelerator goes awry, Jack Hamilton and the rest of his tour group find themselves in a world ruled by Old Testament morality, where the smallest infraction can bring about a plague of locusts. Escape from that world is not the end, though, as they plunge into a Communist dystopia and a world where everything is an enemy. Philip K. Dick was aggressively individualistic and no worldview is safe from his acerbic and hilarious take downs. Eye in the Sky blends the thrills and the jokes to craft a startling morality lesson hidden inside a comedy.

Machines Like Me**A Novel** *Anchor*

New from Ian McEwan, Booker Prize winner and international bestselling author of Atonement and The Children Act Machines Like Me takes place in an alternative 1980s London. Charlie, drifting through life and dodging full-time employment, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first synthetic humans and—with Miranda's help—he designs Adam's personality. The near-perfect human that emerges is beautiful, strong, and clever. It isn't long before a love triangle soon forms, and these three beings confront a profound moral dilemma. In his subversive new novel, Ian McEwan asks whether a machine can understand the human heart—or whether we are the ones who lack understanding.

Counter-Clock World *Houghton Mifflin Harcourt*

In a world where time has begun moving backward, powerful prophet Anarch Peak is among those who have risen from the dead, but that may not last long, as a number of groups seek to send him back to the grave.

L'esegesi *Fanucci Editore*

L'esegesi di Philip K. Dick è l’ultimo lavoro di un autore che ha dedicato la vita a mettere in discussione la natura della realtà e la sua percezione, la malleabilità dello spazio e del tempo, il rapporto tra l’umano e il divino. Nel 1974, già noto ai lettori per opere come La svastica sul sole, Ubik e Ma gli androidi sognano pecore elettriche?, Philip K. Dick inizia a vivere intense e laceranti esperienze trascendentali. Da quel momento lo scrittore produce più di ottomila pagine di appunti, scritte sia a macchina che a mano. Lo scopo è quello di documentare il suo tentativo di comprendere quello che lui chiama “2-3-74”, un’esperienza visionaria dell’intero universo “trasformato in dati”. Tra confessioni intime, sapere esoterico, resoconti onirici e fughe romanzesche, Dick descrive il suo cammino verso il centro di un mistero cosmico che mette alla prova la sua forza d’immaginazione e la sua creatività fino al limite estremo. “E il mondo ha cominciato a parlare, in un vero linguaggio dei segni: in silenzio.” - Philip K. Dick “Una vasta e calamitosa sequenza di discussioni con l’universo: intensa, spaventosa, grottesca, folgorante. L'esegesi fa parte di quei libri che si è soliti associare a leggende e a uomini folli, ma Dick non era né una leggenda né un folle. Ha vissuto in mezzo a noi, ed è stato un genio.” - Jonathan Lethem “Se volete sapere cosa si prova nel vedere il proprio mondo dissolversi, rivoluzionato da una nuova e visionaria percezione del reale, allora dovete leggere L'esegesi.” - The Guardian

I giocatori di Titano *Fanucci Editore*

La popolazione terrestre si è enormemente ridotta dopo che una guerra globale ha devastato il pianeta rendendo sterile la maggior parte dell’umanità. Le macchine intelligenti sorvegliano la vita quotidiana; le automobili e le farmacie parlano e litigano con gli utenti, e molti, in modo ossessivo, giocano a Bluff, un gioco di gruppo che accoppia in modo sempre diverso gli individui, creando e sciogliendo matrimoni senza interruzione, in una paradossale lotteria che premia la fortuna dell’ambita fertilità. Ma il Bluff attrae anche i misteriosi invasori del pianeta Terra, i telepatici vug provenienti da Titano, che in nome di una tregua apparente aiutano i superstiti umani nella ricostruzione del loro mondo. E il gioco, tentazione universale, sembra coinvolgere anche questi misteriosi visitatori. Pubblicato nel 1963, l’anno dell’uccisione del presidente Kennedy, I giocatori di Titano racconta in chiave metafisica il turbamento profondo degli anni Sessanta, e rappresenta una delle punte più alte e raffinate della produzione narrativa di Dick.

Galactic Pot-healer *Vintage*

Joe Fernwright, a pot-healer or repairer of ceramics, not much in demand on Earth, attracts the interest of the Glimmung, an extraterrestrial being that may be divine

Beyond Cyberpunk**New Critical Perspectives** *Routledge*

This book is a collection of essays that considers the continuing cultural relevance of the cyberpunk genre into the new millennium. Cyberpunk is no longer an emergent phenomenon, but in our digital age of CGI-driven entertainment, the information economy, and globalized capital, we have never more been in need of a fiction capable of engaging with a world shaped by information technology. The essays in explore our cyberpunk realities to soberly reconsider Eighties-era cyberpunk while also mapping contemporary cyberpunk. The contributors seek to move beyond the narrow strictures of cyberpunk as defined in the Eighties and contribute to an ongoing discussion of how to negotiate exchanges among information technologies, global capitalism, and human social existence. The essays offer a variety of perspectives on cyberpunk’s diversity and how this sub-genre remains relevant amidst its transformation from a print fiction genre into a more generalized set of cultural practices, tackling the question of what it is that cyberpunk narratives continue to offer us in those intersections of literary, cultural, theoretical, academic, and technocultural environments.

The Twisted Worlds of Philip K. Dick**A Reading of Twenty Ontologically Uncertain Novels** *McFarland*

Philip K. Dick was one of the most popular science fiction novelists of the 20th century, but the contradictory and wily writer has troubled critics who attempt encompassing explanations of his work. This book examines Dick’s writing through the lens of ontological uncertainty, providing a comparative map of his oeuvre, tracing both the interior connections between books and his allusive intertextuality. Topics covered include time travel, alternate worlds, androids and simulacra, finite subjective realities and schizophrenia. Twenty novels are explored in detail, including titles that have received scant critical attention. Some of his most important short stories and two of his realist novels are also examined, providing a general introduction to Dick’s body of work.

The Philosophy of Science Fiction**Henri Bergson and the Fabulations of Philip K. Dick** *Bloomsbury Publishing*

The Philosophy of Science Fiction: Henri Bergson and the Fabulations of Philip K. Dick explores the deep affinity between two seemingly quite different thinkers, in their attempts to address the need for salvation in (and from) an era of accelerated mechanization, in which humans' capacity for destroying or subjugating the living has attained a planetary scale. The philosopher and the science fiction writer come together to meet the contradictory imperatives of a realist outlook-a task which, arguably, philosophy and science fiction could only ever adequately undertake in collaboration. Their respective approaches meet in a focus on the ambiguous status of fictionalizing, or fabulation, as simultaneously one of mechanization's most devastating tools, and the possibility of its undoing. When they are read together, the complexities and paradoxes thrown up by this ambiguity, with which both Bergson and Dick struggle on their own, open up new ways to navigate ideas of mechanism and mysticism, immanence and transcendence, and the possibility and meaning of salvation. The result is at once an original reading of both thinkers, a new critical theory of the socio-cultural, political and ethical function of fictionalizing, and a case study in the strange affinity, at times the uncanny similarity, between philosophy and science fiction.

A Scanner Darkly

Substance D -- otherwise known as Death -- is the most dangerous drug ever to find its way on to the black market. It destroys the links between the brain's two hemispheres, leading first to disorientation and then to complete and irreversible brain damage. Bob Arctor, undercover narcotics agent, is trying to find a lead to the source of supply, but to pass as an addict he must become a user, and soon, without knowing what is happening to him, he is as dependent as any of the addicts he is monitoring.

The Architecture of Philippe Starck *Academy Editions Limited*

Philippe Starck was born in Paris in 1949 and became the Artistic Director of Cardin at a young age. In the late seventies he realised the night clubs 'Le Main Bleue' and 'Les Baines-Douches',

prototypes of the 'hard' clubs. In 1982 he refurbished the Presidential Apartments in the Elysee for Francois Mitterand. He is most famous for his work as a designer - of chairs, beds, tables, watches and kitchen equipment - objects which have met with an enthusiastic reception from both private clients and an international public. Here, his entire architectural activity is dealt with for the first time: from his interiors for the Cafe Costes and those in Tokyo (the Manin Restaurant and Cafe Mystique); through the projects for the Tokyo Opera House and French Pavilion at the Venice Biennale; to the realised works in Madrid, New York and Tokyo (Asahi, 'Nani Nani' and 'Le Baron Vert') and the most recent project for the Prefabricated House for '3 Suisses' to be sold by mail. All break through the conventions of the traditional architectural discipline with their strength of innovation and symbolic power.

We Can Build You *Vintage*

Louis Rosen's company creates historically accurate simulacra of people, such as Abraham Lincoln, but a billionaire's secret plans for them could cause trouble for Louis

The Mall *Atlantic Books*

From South Africa comes a truly creepy horror debut, widely praised for its originality, social commentary, and roller coaster twistsDan works at a mall bookstore where nothing ever happens. An angsty emo-kid selling mid-list books to mid-list people for minimum wage, he hates his job. Rhoda has dragged her babysitting charge to the mall so she can meet her coke dealer. Now the kid's run off, and she has two hours to find him. She hates her life. Rhoda bullies Dan into helping her, but as they explore the neon-lit corridors behind the mall, disturbing text messages lure them into the bowels of the building, where old mannequins are stored in grave-like piles and raw sewage drips off the ceiling. The only escape is down, and before long Dan and Rhoda are trapped in a service elevator—and it's not stopping at the bottom floor. Plummeting into the earth, Dan and Rhoda enter a sinister underworld that mirrors their worst fears.

The Philip K. Dick Reader *Citadel Press*

Gathers twenty-four science fiction stories, including "We Can Remember It for You Wholesale," "Second Variety," "The Golden Man," and "The Last of the Masters"
