Whether you're wanting to increase your horizons or carry out research, our uncomplicated and complimentary solution is below to sustain you every action of the means.

Chinas Vanishing Worlds Countryside Traditions

China's Vanishing Worlds is a book combining photographs and text about the rural villages that dot China, often far from the booming metropolises that receive so much attention in the news. The title refers to the fact that rapid change in China is destroying forever aspects of rural life in China that many, including the authors, love and cherish.

China's Vanishing Worlds: Countryside, Traditions, and ...

China's Vanishing Worlds is an impressive documentation in images and text of modernization's effect on traditional ways of life, and a sympathetic portrait of lives burdened by hardship but blessed by simplicity and tranquility. The scars of China's recent history and the decay of centuries-old traditions are made visible in this volume, but so is the lure and promise of technology and another life for young people.

China's Vanishing Worlds - Countryside, Traditions and ...

China's Vanishing Worlds is an extensive photo-essay book, a project of several years of intensive work 0001.In the course of our research, we paid numerous visits to rural areas and far-flung corners of China's vast countryside. Our fieldwork—talking to villagers, taking photographs, and searching through historical records—was less difficult than it might have been a century ago.
