Developmentally Appropriate Curriculum in Action ...
Developmentally appropriate practice (DAP) is an approach to teaching grounded in the research on how young children develop and learn and in what is known about effective early education. Its framework is designed to promote young children’s optimal learning and development.

3 Core Considerations of DAP | NAEYC
Developmentally Appropriate Curriculum: Best Practices in Early Childhood Education is an all-in-one guide that brings together everything pre-service teachers need to implement an integrated, developmental approach to curriculum-based instruction.

Developmentally Appropriate Curriculum: Best Practices in ...
"Developmentally appropriate" describes an approach to teaching that respects both the age and the individual needs of each child. The idea is that the program should fit the child; the child shouldn't have to fit the program! Preschool teachers look at the "whole child," including intellectual, social, emotional, physical, and creative growth.

Defining "Developmentally Appropriate" | Scholastic
