Age is just a number. But if you want to get into private equity, your age should be less than 30 years for an entry position. However, if you want to go into a senior position and have relevant experience, then your age can be more than 30. Most people have a few years of experience when they join a private equity firm, subject to one exception.

How to Get Into Private Equity? - A Complete Beginner's Guide

Once known for its aversion to private equity investment, Germany is experiencing a dealmaking boom that could prove a key turning point in the country's corporate history. Until recently, Germany had a reputation for giving private equity firms an icy reception. In 2005, then chair of the ruling Social Democratic Party of Germany, Franz Müntefering, famously described them as "swarms of locusts that fall on companies, stripping them bare before moving on".
