Just One Flash is informative, with plenty "know how and Know why" instructions, plus

alternative options. And the most importantly, for a person who had relied on shooting with available light, this book made me confident to experiment with flash light.

Just One Flash: A Practical Approach to Lighting for ...

If a practical person has anything, it is a very well grounded sense of reality. They easily capture the essentials of a situation or a person. On that basis, they define how they fit into their plans and act, they do not stay lost in details. More than just looking at how things could be, they look at how they really are.
