The Bible's affirmation of Israel's divine election is often ignored or even repudiated by contemporary Christians and Jews who are scandalized by the possibility that God might favor one person or group over another. Beginning with the stories of family rivalry in Genesis and working through a host of other biblical texts, Joel Kaminsky explores the dynamics of election: Why does God favor certain people? How do the chosen and non-chosen interact? And what might these texts teach us about God's intentions for the world? Book jacket.

The Chosen *Simon and Schuster*

A coming-of-age classic about two Jewish boys growing up in Brooklyn in the 1940s, this “profound and universal” (The Wall Street Journal) story of faith, family, tradition, and assimilation remains deeply pertinent today. “Works of this caliber should be occasion for singing in the streets and shouting from the rooftops.” —Chicago Tribune It’s the spring of 1944 and fifteen-year-olds Reuven Malter and Danny Saunders have lived five blocks apart all their lives. But they’ve never met, not until the day an accident at a softball game sparks an unlikely friendship. Soon these two boys—one expected to become a Hasidic rebbe, the other at ease with secular America—are drawn into one another’s worlds despite a father’s strong opposition. Set against the backdrop of World War II and the creation of the state of Israel, The Chosen is a poignant novel about transformation and tradition, growing up and growing wise, and finding yourself—even if it might mean disappointing those you love.

The Promise *Anchor*

In a passionate, energetic narrative, The Promise brilliantly dramatizes what it is to master and use knowledge to make one’s own way in the world. Reuven Malter lives in Brooklyn, he’s in love, and he’s studying to be a rabbi. He also keeps challenging the strict interpretations of his teachers, and if he keeps it up, his dream of becoming a rabbi may die. One day, worried about a disturbed, unhappy boy named Michael, Reuven takes him sailing and cloud-watching. Reuven also introduces him to an old friend, Danny Saunders—now a psychologist with a growing reputation. Reconnected by their shared concern for Michael, Reuven and Danny each learns what it is to take on life—whether sacred truths or a troubled child—according to his own lights, not just established authority.

Creating Judaism

History, Tradition, Practice *Columbia University Press*

How can we define "Judaism," and what are the common threads uniting ancient rabbis, Maimonides, the authors of the Zohar, and modern secular Jews in Israel? Michael L. Satlow offers a fresh perspective on Judaism that recognizes both its similarities and its immense diversity. Presenting snapshots of Judaism from around the globe and throughout history, Satlow explores the links between vastly different communities and their Jewish traditions. He studies the geonim, rabbinical scholars who lived in Iraq from the ninth to twelfth centuries; the intellectual flourishing of Jews in medieval Spain; how the Hasidim of nineteenth-century Eastern Europe confronted modernity; and the post-World War II development of distinct American and Israeli Jewish identities. Satlow pays close attention to how communities define themselves, their relationship to biblical and rabbinic texts, and their ritual practices. His fascinating portraits reveal the amazingly creative ways Jews have adapted over time to social and political challenges and continue to remain a "Jewish family."

Scott, New York Times Book Review, cover review Following on the heels of his New York Times bestselling novel Telegraph Avenue, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that work to destroy us. In 1989, fresh from the publication of his first novel, The Mysteries of Pittsburgh, Michael Chabon traveled to his mother’s home in Oakland, California, to visit his terminally ill grandfather. Tongue loosened by powerful painkillers, memory stirred by the imminence of death, Chabon’s grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel Moonglow, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. Moonglow unfolds as the deathbed confession of a man the narrator refers to only as “my grandfather.” It is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator’s grandfather and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York’s Wallkill prison, from the heyday of the space program to the twilight of the “American Century,” the novel revisits an entire era through a single life and collapses a lifetime into a single week. A lie that tells the truth, a work of fictional

nonfiction, an autobiography wrapped in a novel disguised as a memoir, Moonglow is Chabon at his most moving and inventive.

The Dovekeepers

A Novel Simon and Schuster

An ambitious and mesmerizing novel from the bestselling author of Rules of Magic. The Dovekeepers is “striking....Hoffman grounds her expansive, intricately woven, and deepest new novel in biblical history, with a devotion and seriousness of purpose” (Entertainment Weekly). Nearly two thousand years ago, nine hundred Jews held out for months against armies of Romans on Masada, a mountain in the Judean desert. According to the ancient historian Josephus, two women and five children survived. Based on this tragic and iconic event, Hoffman’s novel is a spellbinding tale of four extraordinarily bold, resourceful, and sensuous women, each of whom has come to Masada by a different path. Yael’s mother died in childbirth, and her father, an expert assassin, never forgave her for that death. Revka, a village baker’s wife, watched the murder of her daughter by Roman soldiers; she brings to Masada her young grandsons, rendered mute by what they have witnessed. Aziza is a warrior’s daughter, raised as a boy, a fearless rider and expert marksman who finds passion with a fellow soldier. Shirah, born in Alexandria, is wise in the ways of ancient magic and medicine, a woman with uncanny insight and power. The lives of these four complex and fiercely independent women intersect in the desperate days of the siege. All are dovekeepers, and all are also keeping secrets—about who they are, where they come from, who fathered them, and whom they love.

We Should Hang Out Sometime

Embarrassingly, a true story *Little, Brown Books for Young Readers*

From Paralympic ski racer and YouTube star, Josh Sundquist, comes an always-funny (and sometimes-awkward) memoir about teenage misadventures. When I was twenty-five years old, it came to my attention that I had never had a girlfriend. At the time, I was actually under the impression that I was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semiscientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided "grand gesture" at a Miss America pageant, this story is about looking for love--or at least a girlfriend--in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, "Is there something wrong with me?" (Spoiler Alert: the answer is no.)
