She's just returned to court after three years of relative freedom with her father's family at Demonai camp - riding, hunting, and working the famous Clan markets. Although Raisa will become eligible for marriage after her sixteenth name-day, she isn't looking forward to trading in her common sense and new skills for etiquette tutors and stuffy parties. Raisa wants to be more than an ornament in a glittering cage. She aspires to be like Hanalea—the legendary warrior queen who killed the Demon King and saved the world. Before he knew about the Roses, sixteen-year-old Jack lived an unremarkable life in the small Ohio town of Trinity. Suddenly, he is stronger, fiercer, and more confident than ever before. And it feels great—until he loses control of his own strength and nearly kills another player during soccer team tryouts. Soon, Jack learns the startling truth about himself: He is Weirind; part of an underground society of magical people who live among us. At the head of this magical society sit the feuding houses of the Red Rose and the White Rose, whose power is determined by playing The Game: a magical tournament in which each house sponsors a warrior to fight to the death. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to *The Warrior Heir*, everyone's got a secret to keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war?

A smart, thrilling sci-fi adventure, perfect for fans of Renegades and Aurora Rising. When Andra wakes up, she's drowning. Not only that, but she's in a hot, dirty cave, it's the year 3102, and everyone keeps calling her Goddess. When Andra went into a cryonic sleep for a trip across the galaxy, she expected to wake up in a hundred years, not a thousand. Worst of all, the rest of the colonists—including her family and friends—are dead. They died centuries ago, and for some reason, their descendants think Andra's a deity. She knows she's nothing special, but she'll play along if it means she can figure out why she was left in stasis and how to get back to Earth. Zhade, the exiled bastard prince of Eerensed, has other plans. Four years ago, the sleeping Goddess's glass coffin disappeared from the palace, and Zhade devoted himself to finding it. Now he's hoping the Goddess will be the key to taking his rightful place on the throne—if he can get her to play her part, that is. Because if his people realize she doesn't actually have the power to save their dying planet, they'll kill her. With a vicious monarch on the throne and a city tearing apart at the seams, Zhade and Andra might never be able to unlock the mystery of her fate, let alone find a way to unseat the king, especially since Zhade hasn't exactly been forthcoming with Andra. And a thousand years from home, is there any way of knowing that Earth is better than the planet she's woken to?

Along with fellow rebels Ryko and Lady Dela, she is on the run from High Lord Sethon's army. The renegades are on a quest for the black folio, stolen by the drug-riddled Dillon; they must also find Kygo, the young Pearl Emperor, who needs Eona's power and the black folio if he is to wrest back his throne from the self-styled "Emperor" Sethon. Spellsinger, musician, and runecaster Reginn Eiklund has spent her life performing at alehouses for the benefit of her master, Asger, a fire demon she is desperate to escape. After one performance that amazes even herself, two wyrdspinnors in the audience make Reginn an irresistible offer: return with them to the Temple to be trained in seidr, forever free of Asger. Eiric’s, Liv’s, and Reginn’s journeys converge in New Jotunheim, a paradise fueled by magic and the site of the Temple. They soon realize that a great evil lurks beneath the dazzling surface and that old betrayals and long-held grudges may fuel another cataclysmic war.
