My Story by Marilyn Chambers (Hardback) *Bearmanor Adult*

This is the hardback version. The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of *Behind the Green Door* and *The Resurrection of Eve*.

"Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role in *Rabid*, her Ivory Snow escapade, and her incredibly HOT performances in *Adult* with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy

Too Fat to Fish *Random House*

Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of *The Howard Stern Show*—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of *The Howard Stern Show* in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the show's move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a

bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out for—sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn't have happened to anyone else. There are stories from his days driving a Jersey cab, working as a longshoreman in Port

Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie's never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, *Too Fat to Fish* is Artie Lange giving everything he's got to give. And like a true pro, the man never disappoints.

Inside Seka

The Platinum Princess of Porn

"The Mount Rushmore of Adult Entertainment has four heads: John Holmes, Marilyn Chambers, Jenna Jameson, and Seka. That's it; there ain't no more." - Bill Margold, famed adult film actor, agent, producer, director, and activist Seka-The Platinum Princess, the Marilyn Monroe of Porn, the queen of XXX cinema's Golden Age, and John

Holmes' favorite leading lady. Seka is a legendary performer in the annals of adult cinema, and many would say the greatest. Seka's name was so big in XXX that her name above the title was not enough-her name had to be in the title! Seka's real life story, though, is as enigmatic as her screen persona. She was never a victim-on-screen or off. This is no tale of remorse, abuse, or self-destructive behavior. Seka was post-feminist before the term was born. Inside Seka is the story of a survivor, a trailblazer, and an icon-still one of the most popular and famous porn stars ever; the last of the natural beauties. "Before the Jennas, the Bree Olsons, or the Savannas, the undisputed blonde bombshell of XXX movies was Seka, which makes her story so important in

the history of adult entertainment." - Ron Jeremy, porn legend, holder of the Guinness Book of World Records for "Most Appearances in Adult Films." "From calling the shots in a film genre in the days when it was completely controlled by men, to standing and being heard at the infamous Meese Commission, Seka shatters the myth of the poor little victim who lost her way. Don't expect excuses and apologies. This is one blonde bombshell who lives by her own rules." - Candida Royalle, author, entrepreneur, and erotic film pioneer "She was one of the hottest girls in the XXX business, able to seduce any man she wanted. So it should come as no surprise that her story is riveting." - Larry Flynt, Hustler magazine Kerry Zukus is the author, co-author, or

ghostwriter of over 40 books, including From Harvard to Hell and Back, the upcoming Inside the Hotel Rwanda, and Book of the Month Club Feature Selection The Fourth House.

thoughts, his beliefs and his writings. What did Arthur Greeves, a life-long friend from his adolescence, bring to him? How did J.R.R. Tolkien, and the other members of the now famous Inklings, shape him? Raw Talent

The Adult Film Industry As Seen by Its Most Popular Male Star *Prometheus Books*

The first publication of Raw Talent created an extraordinary flurry of publicity. Jerry Butler appeared on dozens of talk shows, capturing audiences with his intensity and charm. Reviews of the book lauded Butler's honesty and remarked on the double standard that permits explicit violence on film - but not explicit sex. The book sold out four printings; nonetheless, reactions within the adult film industry included heated debate and an unofficial blacklisting of Butler. The former star of X-rated films and winner of many awards, Jerry Butler wrote the book that

many warned would finish him in the business that had rewarded him with money and fame. But it is characteristic of Butler that these warnings didn't prevent him from producing this devastatingly honest appraisal of the adult film trade - and of himself. For while Butler is frankly critical of an industry that treats actors and actresses like throw-away props, and allows unprotected sex in the age of AIDS, he reserves his most candid commentary for himself. *Raw Talent* tells the story of Butler's erotic voyage from average child to sex star. The epilogue added to this new edition answers the question: 'Where will Jerry go from here'. . . an unvarnished first-hand view of the adult film industry. . . *Back Stage* Even though people might feel that *Raw Talent*

The Secret Lives of Hyapatia Lee

AuthorHouse

The world is fascinated by sex and the sex industry. In the last 20 years, we have seen X-rated movies go from a theater in the worst part of town to our own VCRs and on the menu of expensive hotels as in-room entertainment. Its stars have gone from being virtual unknowns in the early 70s to doing appearances on Jay Leno and television talk shows. The adult film business has grown by leaps and bounds. In 1984 alone more people rented or bought an X-rated movie than voted for Ronald Regan. In this book, I have given the reader an uncensored, inside look at all the workings of the sex industry from movies and magazines to mens clubs and all the emotions that go along with

it. By reading these excerpts from my personal diary, I share with you the anger, elation, sadness and fear that have comprised my life. I give an inside look at the many famous people I've met and their personal quirks. As the first Native American porn star, I show you how this line of work is seen in the eyes of my religion and culture, and I share some of the healing ceremonies I have experienced. Why would a young woman decide to get into such a business? What is it like to make an X-rated movie or to dance nude on stage in a gentlemen's club? Many women say it is empowering. What kind of lives did these women have before entering the world of X? Why do they say it increases their self-esteem? Is it REALLY healthy emotionally? Why have five of my colleagues committed

suicide? What's it like when your friends (and the Godmother of your children) are dropping like flies? Why would a sexually abused and abandoned child decide of her own free will to make X-rated movies and how could this possibly be a healing experience? Is it really?

Skinflicks

The Inside Story of the X-Rated Video Industry *AuthorHouse*

So much happens to all of us every day, yet so much is often forgotten. It is easier to remember things when they rhyme; both the momentous moments and the simple ones. Life is not always an adventure. Often it is ordinary occasions and the common place events that bring us the greatest joy. Stop

always looking for the next big thing, because more often than not, life is just the next thing. And that next thing is what life is all about. Every rhyme contains a story; some are sincere, some are funny, some are sad, and some are reflective. There is a lesson, a moral, a tale, a smile, or a tear in every single one. They all rhyme for a reason.

Finding Murph

How Joe Murphy Went From Winning a Championship to Living Homeless in the Bush *HarperCollins*

JOE MURPHY HAD IT ALL. In 1986, he became the first college-educated hockey player selected first overall in the NHL entry draft. He won a Stanley Cup in Edmonton four years later. But since then, his life has taken a tragic turn, largely due to the untreated brain injuries he suffered as a player. Murphy's life didn't begin on a track that would lead to homelessness. He was smart, dedicated to hockey and was a key player for the Oilers, Red Wings and Blackhawks, among other teams. But

one vicious body check changed his life forever. Despite being shaken by the hit, Murphy was cleared to return to the game. Soon after, his entire life seemed to change. Murphy became a journeyman, moving from team to team. Along the way, other NHLers said they noticed something different about him, too. Murphy wasn't acting like himself and soon found himself out of the NHL entirely. Eventually, Murphy became homeless. In the spring of 2018, Murphy made his way to Kenora, Ontario, where he lived in the bush, spending his days outside a local convenience store, muttering to himself and taking handouts of food and drinks from passersby. The player who had once set the NHL aflame now slept by the side of the road in the unforgiving North. In

Finding Murph, Rick Westhead traces the true story of Joe Murphy and examines the role of the NHL in the downward spiral of one of the league's most promising players.
