DOWNLOAD VIOLENCE AND THE SACRED BOOK

Welcome to the world of book downloads! If you're an enthusiastic visitor, you know the complete satisfaction that includes transforming the web pages of a terrific Violence And The Sacred book. With the innovation of innovation, reading has actually ended up being much more available than in the past. No longer are we restricted to physical publications; electronic downloads have made it possible to gain access to countless publications from the convenience of our devices, anytime and anywhere. In this area, we will certainly explore exactly how to download Violence And The Sacred and supply you with all the information you require to easily access your following great read. So, allow's begin and discover the benefit and adaptability of downloading and install publications today.

Are you all set to start a literary adventure? Let's download and install some books!

But initially, let's check out the benefits of downloading and install Violence And The Sacred in our next area.

THE BENEFITS OF DOWNLOADING AND INSTALL VIOLENCE AND THE SACRED

Are you tired of lugging around heavy publications or waiting for deliveries?

Consider downloading and install Violence And The Sacred rather. When you download books, you get to a large collection of literary works within your reaches.

Not only is downloading and install publications hassle-free, however it's also versatile. You can keep reading different tools, such as e-readers, tablet computers, and mobile phones, making it very easy to review on-the-go or in the convenience of your very own home.

The Convenience of Downloading and install Violence And The Sacred

One of the best advantages of downloading Violence And The Sacred book is the convenience it supplies. With just a couple of clicks, you can access a library of books without ever before leaving your home. Plus, you can download and install publications at any time of the day or night, making it easy to obtain your hands on your following great read.

The Adaptability

of Downloading and install Violence And The Sacred

Another benefit of downloading books is the adaptability it supplies. You can read on various devices, which means you can pick up where you left off regardless of where you are or what you're doing. Whether you're waiting in line for coffee or traveling on a plane, you can access your digital library and review to your heart's web content.

Downloading and install Violence And The Sacred is a simple and hassle-free means to access a world of literary works. In the following section, we will discover exactly how to download and install books step-by-step, so you can start reviewing your favored books in no time.

HOW TO DOWNLOAD AND INSTALL VIOLENCE AND THE SACRED

Downloading Violence And The Sacred is a basic procedure that can offer you with endless reading product. Below are some easy actions to lead you via the process:

Action 1: Discover a respectable web site or platform for downloading and install Violence And The Sacred. Some prominent choices consist of electronic book stores like Amazon and Barnes & Noble, on-line collections like Open Collection and Task Gutenberg, and independent writer systems like Smashwords.

Action 2: Search for guide you wish to download. You can surf by writer, title, category, or search phrase. Make certain to select the layout that works with your device, such as PDF, EPUB, or MOBI.

Action 3: Look for any type of costs or fees related to the download. Some internet sites offer complimentary Violence And The Sacred to download and install, while others need repayment or a membership.

Tip 4: Total the checkout process, if required. If you're downloading and install a complimentary publication Violence And The Sacred, you may just require to verify your e-mail address or produce an account. If you're buying a publication, you'll need to enter your payment information.

Tip 5: Wait for the download to complete. Depending on the dimension of the data and the rate of your web connection, it might take a few secs or several mins.

Action 6: Transfer the downloaded Violence And The Sacred file to your gadget. This can be done with USB, e-mail, or a cloud-based storage service like Dropbox or Google Drive.

By complying with these actions, you can conveniently download Violence And The Sacred and begin checking out as soon as possible. Bear in mind to always download from reliable resources and beware of any kind of potential protection risks.

POPULAR PLATFORMS FOR BOOK DOWNLOADS

There are countless platforms available for downloading Violence And The Sacred, each with special features and offerings. Right here are a few of one of the most popular choices for

conveniently downloading books:

E-Book Shops

Well-known e-book stores such as Amazon Kindle, Barnes & Noble, and Google Play Books supply comprehensive collections of publications for purchase. You can conveniently download Violence And The Sacred to your device with simply a couple of clicks and gain access to them anytime, anywhere.

Online Libraries

On the internet libraries such as OverDrive, Job Gutenberg, and Open up Collection, enable you to obtain Violence And The Sacred electronic books completely free with a collection card from a participating library. They supply a variety of genres and styles, making it easy to find your next wonderful read.

Independent Writer Platforms

Independent writer platforms such as Smashwords and Draft2Digital offer self-published publications and functions from indie authors. You can easily download Violence And The Sacred directly from these systems and assistance independent authors.

With all these alternatives, you can easily download and install Violence And The Sacred and begin reviewing your next preferred publication quickly!

**SEARCHING FOR FREE VIOLENCE
AND THE SACRED BOOK TO
DOWNLOAD AND INSTALL**

Are you on a budget plan however still wish to take pleasure in the thrill of checking out a great book? The good news is, there are several sources for discovering top notch totally free Violence And The Sacred book to download.

Sites

Among the easiest ways to find free publications to download and install is by going to internet sites that offer them. Lots of on-line libraries, such as Project Gutenberg and Open Library, offer a large range of classic and contemporary titles that can be downloaded absolutely free. In addition, internet sites such as Smashwords and Feedbooks supply a vast collection of totally free Violence And The Sacred e-books from independent authors.

Online Areas

Online neighborhoods, such as Reddit and Goodreads, offer a platform for book lovers to share and review their preferred books like Violence And The Sacred. These neighborhoods commonly have actually dedicated strings or teams where individuals share links to free book downloads.

Promos from Authors and Publishers

Authors and authors periodically supply free book Violence And The Sacred download as a method to promote their job and attract brand-new visitors. Watch out for limited-time promotions

on social media or register for newsletters from your favored writers or publishers to remain upgraded on their most current deals.

Downloading and install complimentary books is a wonderful way to discover new authors and styles without damaging the financial institution. Nonetheless, it is essential to make certain that you are downloading books legally and from respectable sources to avoid any potential concerns. With these pointers, you can quickly download publications and begin enjoying your next terrific read!

HANDLING YOUR DOWNLOADED VIOLENCE AND THE SACRED PUBLICATION

Now that you've effectively downloaded your favored publications, it's essential to know exactly how to manage them successfully. By organizing your digital library, you can easily access your books and sync them throughout tools with no problem.

Initially, create folders to classify your downloaded Violence And The Sacred book based on style, writer, or any type of various other choice you might have. In this manner, you can swiftly locate the book you want to read without sifting through a cluttered library.

Next off, think about making use of an e-reader app to review your downloaded and install Violence And The Sacred book. These applications permit you to tailor your analysis experience by readjusting the typeface size, font design, and history color. In addition, e-reader apps frequently come with synchronization alternatives, which enables you to proceed reading your book from where you left off on one

more tool.

Mean you have numerous devices that you utilize for checking out books, such as a tablet, mobile phone, or e-reader. You can sync your downloaded Violence And The Sacred publications throughout all gadgets by utilizing cloud storage space solutions such as Dropbox or Google Drive. In this manner, you can access your entire virtual library from any type of device, anytime and anywhere.

Lastly, in situation of any type of issues, guarantee that you support your downloaded and install Violence And The Sacred publication to prevent the threat of shedding them due to a device malfunction or unexpected deletion. You can utilize cloud storage space solutions or exterior disk drives to store your publications securely.

By adhering to these tips, you can effectively manage your downloaded and install publications, ensuring that you can conveniently accessibility and enjoy them whenever you want.

TIPS FOR A SEAMLESS DOWNLOADING EXPERIENCE OF VIOLENCE AND THE SACRED

Downloading and install Violence And The Sacred has never ever been easier, yet there are a couple of ideas and techniques that can aid you make the most of your experience. Here are some methods to ensure a seamless downloading process:

Maximize your tool's storage

capability:

Prior to downloading Violence And The Sacred, make certain you have sufficient storage room on your tool. If you're running low on room, think about erasing documents or apps you no longer requirement.

Usage e-reading applications:

While some publications can be downloaded straight onto your gadget, others may need an e-reading application. Apps like Kindle and iBooks offer a seamless analysis experience and permit you to access your collection across several devices.

Keep upgraded with the latest publication releases:

Keep an eye on brand-new book launches and bestseller checklists to stay current with the most recent literary fads. This can assist you find brand-new writers and titles to include in your virtual library.

Pick trusted downloading

sources:

Troubleshoot usual concerns:

If you come across problems while downloading and install Violence And The Sacred book, look for typical issues such as internet connectivity and gadget compatibility. Lots of platforms supply client support to help resolve any kind of concerns you may deal with.

By following these tips, you can conveniently and effectively download and install books to enjoy your favorite literature anytime, anywhere.

CONCLUSION

Since you have learned everything about downloading and install books like Violence And The Sacred, you can easily access your following favored read with just a few clicks. By downloading Violence And The Sacred, you can take pleasure in the convenience of reading on different devices, including e-readers, tablet computers, and smart devices.

To download publications, you need to locate reliable sites and platforms and choose the desired layout for your device. Always make sure to download and install publications safely and successfully to stay clear of any type of issues.

One of the most prominent platforms for downloading and install publications consist of well-known e-book shops, on the internet libraries, and independent writer systems. You can also locate high-grade totally free books on websites, on the internet neighborhoods, and through promos from authors and publishers. Just ensure to check the validity of downloading copyrighted jobs.

Once you have downloaded *Violence And The Sacred*, it is essential to understand exactly how to manage and organize your virtual library efficiently. You can utilize strategies like syncing your books across tools and troubleshooting usual concerns to ensure a seamless experience.

Finally, improve your downloading experience by maximizing your device's storage space capacity, making use of e-reading apps, and remaining upgraded with the current book launches. With this info, you prepare to embark on exciting literary journeys via the easy act of downloading *Violence And The Sacred*. Satisfied reading!

Violence and the Sacred A&C Black

René Girard (1923-) was Professor of French Language, Literature and Civilization at Stanford University from 1981 until his retirement in 1995. *Violence and the Sacred* is Girard's brilliant study of human evil. Girard explores violence as it is represented and occurs throughout history, literature and myth. Girard's forceful and thought-provoking analyses of Biblical narrative, Greek tragedy and the lynchings and pogroms propagated by contemporary states illustrate his central argument that violence belongs to everyone and is at the heart of the sacred. Translated by

Patrick Gregory>

Violence and the Sacred A&C Black

"His fascinating and ambitious book provides a fully developed theory of violence as the 'heart and secret soul' of the sacred. Girard's fertile, combative mind links myth to prophetic writing, primitive religions to classical tragedy."-- Victor Brombert, *Chronicle of Higher Education*.

Violence and the Sacred JHU Press

His fascinating and ambitious book provides a fully developed theory of violence as the 'heart and secret soul' of the sacred. Girard's fertile, combative mind links myth to prophetic writing, primitive religions to classical tragedy.

Violence and the Sacred Bloomsbury Publishing

Violence and the Sacred is René Girard's landmark study of human evil. Here Girard explores violence as it is represented and occurs throughout history, literature and myth. Girard's forceful and thought-provoking analyses of Biblical narrative, Greek tragedy and the lynchings and pogroms propagated by contemporary states illustrate his central argument that violence belongs to everyone and is at the heart of the sacred.

Violence and the Sacred Baltimore : Johns Hopkins University Press

This brilliant study of good and evil examines the presence of ritual violence in sacred ceremony.

Violence and the Sacred in the Ancient Near East Cambridge University Press

This book is primarily for researchers and students in the archaeology of the

Ancient Near East. The volume results from intense interaction between archaeologists at these sites and a group of theorists studying the scholarship of René Girard.

Violence and the Sacred

The Ambivalence of the Sacred *Rowman & Littlefield*

This text explains what religious terrorists and religious peacemakers share in common and what causes them to take different paths in fighting injustice.

Violence, the Sacred, and Things Hidden *MSU Press*

Never before translated in English, this 1973 discussion between René Girard (1923-2015) and other prominent scholars represents one of the most significant breakthroughs in mimetic theory. Organized by the French journal *Esprit*, the conversation was an opportunity for Girard to debate with his interlocutors the theories he expounded in *Violence and the Sacred* (1972). These scholars prompted him to reconsider the book's strictly sociological interpretation of religion, highlighting the misrecognition of violent scapegoating at its origins and in its myths and ritual practices, by addressing the relation between his critique of primitive or archaic religion and the role of Judeo-Christianity. The ensuing discussion opened up an entirely new and admittedly startling phase of his thinking, where he deployed an epistemology rooted in Biblical revelation, which he viewed as an ongoing deconstruction of sacrificial practices. In this text, he vindicates for the very first time the anthropological relevance of Judeo-Christian scriptures.

The 1973 discussion thus marks a new and decisive step in Girard's intellectual journey, making this volume a critical document for understanding the transition period between *Violence and the Sacred* and *Things Hidden Since the Foundation of the World* (1978).

Violence and the Sacred in the Modern World *Routledge*

How is symbolic violence related to the real acts of religious violence around the modern world? The authors of this book, first published in 1992, explore this question with reference to some of the most volatile religious and political conflicts of the day: Hezbollah in Lebanon, Sikhs in India, militant Jewish groups in Israel, and Muslim movements from the Middle East to Indonesia. In addition to providing valuable insights into these important incidents, the authors - social scientists and historians of comparative religion - are responding to the theoretical issues articulated by René Girard in *Violence and the Sacred* (1977). The present volume is the first book of essays to test Girard's theories about the social significance of religious symbols of violence against real, rather than symbolic, acts. In some cases his theories are found to be applicable; in other cases, the authors provide alternative theories of their own. In a concluding essay, co-authored by Mark Anspach, Girard provides a response.

Rene Girard Violence and the Sacred

Sacred Violence *Cambridge University Press*

Employs the sectarian battles which divided African Christians in late antiquity to explore the nature of violence in religious conflicts.

The Bible, Violence, and the Sacred
Wipf and Stock Publishers

This book represents the first comprehensive application to the whole Bible of RenŽ Girard's theories on violence, civilization, and religion.

The (De)Legitimization of Violence in Sacred and Human Contexts
Springer Nature

This book provides a multidisciplinary commentary on a wide range of religious traditions and their relationship to acts of violence. Hate and violence occur at every level of human interaction, as do peace and compassion. Scholars of religion have a particular obligation to make sense out of this situation, tracing its history and variables, and drawing lessons for the future. From the formative periods of the religious traditions to their application in the contemporary world, the essays in this volume interrogate the views on violence found within the traditions and provide examples of religious practices that exacerbate or ameliorate situations of conflict.

Sacred Violence *Augsburg Fortress Publishing*

Fighting Words *Univ of California Press*

One of the critical issues in interreligious relations today is the connection, both actual and perceived, between sacred sources and the justification of violent acts as divinely mandated. *Fighting Words* makes solid text-based scholarship accessible to the general public, beginning with the premise that a balanced approach to religious pluralism in our world must build on a measured, well-informed response to the increasingly publicized and sensationalized association of terrorism

and large-scale violence with religion. In his introduction, Renard provides background on the major scriptures of seven religious traditions—Jewish, Christian (including both the Old and New Testaments), Islamic, Baha'i, Zoroastrian, Hindu, and Sikh. Eight chapters then explore the interpretation of select facets of these scriptures, focusing on those texts so often claimed, both historically and more recently, as inspiration and justification for every kind of violence, from individual assassination to mass murder. With its nuanced consideration of a complex topic, this book is not merely about the religious sanctioning of violence but also about diverse ways of reading sacred textual sources.

Violence, Transformation, and The Sacred: "They shall be called Children of God" *Orbis Books*

Violence and the Sacred . Rene Girard. Transl. by Patrick Gregory

Sacred Fury *Rowman & Littlefield*

From ISIS attacks to the conflict between Israel and Palestine, *Sacred Fury* explores the connections between faith and violence in world religions. Author Charles Selengut looks at religion as both a force for peace and for violence, and he asks key questions such as how "religious" is this violence and what drives the faithful to attack in the names of their beliefs? Revised throughout, the third edition features new material on violence in Buddhism and Hinduism, the rise of ISIS, "lone wolf terrorists," and more. This up-to-date edition draws on a variety of disciplines to comprehend forms of religious violence both historically and in the present day. The third edition of *Sacred Fury* is an

essential resource for understanding the connections between faith and violence.

Sacrifice Imagined *Bloomsbury Publishing USA*

Sacrifice Imagined is an original exploration of the idea of sacrifice by one of the world's preeminent philosophers of religion. Despisers of religion have poured scorn upon the idea of sacrifice as an index of the irrational and wicked in religious practice. Nor does its secularised form seem much more appealing. One need only think of the appalling cult of sacrifice in numerous totalitarian regimes of the twentieth century. Yet sacrifice remains a part of our cultural and intellectual 'imaginary'. Hedley proposes good reasons to think that issues of global conflict and the ecological crisis highlight the continuing relevance of the topic of sacrifice for contemporary culture. The subject of sacrifice has been decisively influenced by two books: Girard's *The Violence and the Sacred* and Burkert's *Homo Necans*. Both of these are theories of sacrifice as violence. Hedley's book challenges both of these highly influential theories and presents a theory of sacrifice as renunciation of the will. His guiding influences in this are the much misunderstood Joseph de Maistre and the Cambridge Platonists.

Sacred Violence *University of Michigan Press*

In *Sacred Violence*, the distinguished political and legal theorist Paul W. Kahn investigates the reasons for the resort to violence characteristic of premodern states. In a startling argument, he contends that law will never offer an adequate account of political violence. Instead, we must turn to political theology, which reveals that torture and

terror are, essentially, forms of sacrifice. Kahn forces us to acknowledge what we don't want to see: that we remain deeply committed to a violent politics beyond law. Paul W. Kahn is Robert W. Winner Professor of Law and the Humanities at Yale Law School and Director of the Orville H. Schell, Jr. Center for International Human Rights. Cover Illustration: "Abu Ghraib 67, 2005" by Fernando Botero. Courtesy of the artist and the American University Museum.

Sacred Violence in Early America *University of Pennsylvania Press*

Sacred Violence in Early America offers a sweeping reinterpretation of the violence endemic to seventeenth-century English colonization by reexamining some of the key moments of cultural and religious encounter in North America. Susan Juster explores different forms of sacred violence—blood sacrifice, holy war, malediction, and iconoclasm—to uncover how European traditions of ritual violence developed during the wars of the Reformation were introduced and ultimately transformed in the New World. Juster's central argument concerns the rethinking of the relationship between the material and the spiritual worlds that began with the Reformation and reached perhaps its fullest expression on the margins of empire. The Reformation transformed the Christian landscape from an environment rich in sounds, smells, images, and tactile encounters, both divine and human, to an austere space of scriptural contemplation and prayer. When English colonists encountered the gods and rituals of the New World, they were forced to confront the unresolved tensions between the material and spiritual within their own religious practice. Accounts of native cannibalism,

for instance, prompted uneasy comparisons with the ongoing debate among Reformers about whether Christ was bodily present in the communion wafer. *Sacred Violence in Early America* reveals the Old World antecedents of the burning of native bodies and texts during the seventeenth-century wars of extermination, the prosecution of heretics and blasphemers in colonial courts, and the destruction of chapels and mission towns up and down the North American seaboard. At the heart of the book is an analysis of "theologies of violence" that gave conceptual and emotional shape to English colonists' efforts to construct a New World sanctuary in the face of enemies both familiar and strange: blood sacrifice, sacramentalism, legal and philosophical notions of just and holy war, malediction, the contest between "living" and "dead" images in Christian ideology, and iconoclasm.

Towards Reconciliation *ISD LLC*

Why do humans sacralise the causes for which they fight? Who will decipher for us the enigma of 'sacred violence'? Paul Gifford shows that the culture theorist and fundamental anthropologist Rene Girard has in fact decoded the obscurely 'foundational' complicity between violence and the sacred, showing why it is everybody's problem and the Problem of Everybody. Rene Girard's mimetic theory, especially his neglected writings on biblical texts, can be read as an anthropological argument continuous with Darwin, shedding formidable new light to a vast array of dark and knotted things: from the functioning of the world's oldest temple to today's terrorist violence, from the Cross of Christ to the Good Friday Agreement, such insights illuminate superbly ('from below') the

ways of creation, revelation, redemption - which is to say, ultimately, the Christian enterprise and vocation of Reconciliation. Here is a novel and exciting resource for scanning the hidden 'sacrificial' logic that still secretly shapes cultural, social, and political life today. Girard puts us ahead of the game in the key dialogues required if we are to avoid autogenerated apocalypses of human violence in the world of tomorrow.

Beyond Sacred Violence *JHU Press*

Argues that the modern Western world's reductive understanding of sacrifice simplifies an enormously broad and dynamic cluster of religious activities, drawing on a comparative study of Vedic and Jewish sacrificial practices to demonstrate not only that sacrifice has no single, essential, identifying characteristic, but also that the elements most frequently attributed to such acts--death and violence--are not universal.

Transforming the Sacred into Saintliness *Cambridge University Press*

Studies into religion and violence often put religion first. René Girard started with violence in his book *Violence and the Sacred* and used the Durkheimian term 'sacred' as its correlate in his study of early religions. During the unfolding of his theory, he more and more distinguished the sacred from saintliness to address the break that the biblical revelation represented in comparison to early religions. This distinction between the sacred and saintliness resembles Henri Bergson's complementing Emile Durkheim's identification of the sacred and society with a dynamic religion that relies on individual mystics. Girard's distinction also relates to the insights of thinkers like Jacques Maritain, Simone

Weil, and Emmanuel Levinas. This element explores some of Girard's main features of saintliness. Girard pleaded for the transformation of the sacred into holy, not their separation.

Battling to the End *MSU Press*

In *Battling to the End* René Girard engages Carl von Clausewitz (1780–1831), the Prussian military theoretician who wrote *On War*. Clausewitz, who has been critiqued by military strategists, political scientists, and philosophers, famously postulated that "War is the continuation of politics by other means." He also seemed to believe that governments could constrain war. Clausewitz, a firsthand witness to the Napoleonic Wars, understood the nature of modern warfare. Far from controlling violence, politics follows in war's wake: the means of war have become its ends. René Girard shows us a Clausewitz who is a fascinated witness of history's acceleration. Haunted by the French-German conflict, Clausewitz clarifies more than anyone else the development that would ravage Europe. *Battling to the End* pushes aside the taboo that prevents us from seeing that the apocalypse has begun. Human violence is escaping our control; today it threatens the entire planet.

Sacred Violence *University of Toronto Press*

In *Sacred Violence*, Jill N. Claster brings new insight and focus to the history of the crusades. The book includes an 8-page color insert of illustrations, 12 maps, over 25 black-and-white illustrations, a chronology of the crusades, and a list of rulers.

Things Hidden Since the Foundation

of the World *A&C Black*

Presenting an original global theory of culture, Girard explores the social function of violence and the mechanism of the social scapegoat. His vision is a challenge to conventional views of literature, anthropology, religion and psychoanalysis. René Girard is the Andrew B. Hammond Professor Emeritus of French Language, Literature and Civilization at Stanford University, USA.

Religion and Political Violence *Routledge*

This book uses the theory of social movements and first-hand interviews to create a new analysis of religiously motivated political violence in the modern world. Examining the movement to restore Sharia law to a dominant place in the Egyptian government, the movement to make abortion illegal in the United States, and the religious effort to secure territory in Israel, the author contends that religion becomes violent not because of ideology or political context alone, but because of the constantly evolving relationship between them. The ebb and flow of opportunities for political access ensures that secularization and religion, although polar opposites, depend on each other to define themselves. As a result, while their respective degrees of influence will inevitably undulate over time, both will remain a part of the political process for some time. Thus, a full understanding of both is critical to a meaningful understanding of the political process. Much work has been done to understand secular social movements as part of the political process, and consequentially researchers now know a great deal about the motivations, resources and timing of secular social movements. Considerably less research has been

done in the field of religious social movements and this book fills that gap in the literature. This book will be of great interest to students of political violence, religion, sociology, and Politics and International Relations in general. Jennifer Jefferis is Assistant Professor in the Department of Government, Regent University, USA, and has a PhD in Political Science from Boston University.

For René Girard *MSU Press*

In his explorations of the relations between the sacred and violence, René Girard has hit upon the origin of culture—the way culture began, the way it continues to organize itself. The way communities of human beings structure themselves in a manner that is different from that of other species on the planet. Like Albert Einstein, Sigmund Freud, Émile Durkheim, Martin Buber, or others who have changed the way we think in the humanities or in the human sciences, Girard has put forth a set of ideas that have altered our perceptions of the world in which we function. We will never be able to think the same way again about mimetic desire, about the scapegoat mechanism, and about the role of Jewish and Christian scripture in explaining sacrifice, violence, and the crises from which our culture has been born. The contributions fall into roughly four areas of interpretive work: religion and religious study; literary study; the philosophy of social science; and psychological studies. The essays presented here are offered as "essays" in the older French sense of attempts (essayer) or trials of ideas, as indeed Girard has tried out ideas with us. With a conscious echo of Montaigne, then, this homage volume is titled *Essays in Friendship and in Truth*.

Sexual Violence and Sacred Texts *Wipf and Stock Publishers*

At the heart of many religions are sacred texts that depict or even incite sexual violence. Most of this violence is directed against women and girls. *Sexual Violence and Sacred Texts* opens up an informed, passionate, interfaith dialogue for scholars and activists seeking to transform social problems that impact women and girls globally. Situated within struggles toward gender equity and widespread spiritual flourishing, these essays empower religious leaders, academics, and laypersons to confront and to creatively engage with sacred texts that re-inscribe sexual violence.

Rene Girard *Polity*

In recent years there has been a renewed interest in the work of Rene Girard, thought by many to be one of the most important, if controversial, cultural theorists of the twentieth century. Girard's work is extraordinarily innovative and wide-ranging, cutting across central concerns in philosophy, psychoanalysis, literary theory, anthropology, theology, and sociology. In this much-needed introduction, Chris Fleming traces the development of Girard's thought over forty years, describing the context in which he worked and his influence on a number of disciplines. He unpacks the hypotheses at the centre of Girard's thought - mimetic desire, surrogate victimage and scapegoating, myth, ritual, and the sacred - and provides an assessment of Girard's place in the contemporary academy. Comprehensive and clearly written, this book constitutes an excellent overview of Girard's work and is essential reading for students and researchers in continental philosophy, theology, literary studies, French

studies, and cultural studies.

Philosophy's Violent Sacred

"This book critiques the postmodernism and Continental philosophy of Heidegger and Nietzsche through the lens of the mimetic theory of Rene Girard"--

The One by Whom Scandal Comes *MSU Press*

"Why is there so much violence in our midst?" René Girard asks. "No question is more debated today. And none produces more disappointing answers." In Girard's mimetic theory it is the imitation of someone else's desire that gives rise to conflict whenever the desired object cannot be shared. This mimetic rivalry, Girard argues, is responsible for the frequency and escalating intensity of human conflict. For Girard, human conflict comes not from the loss of reciprocity between humans but from the transition, imperceptible at first but then ever more rapid, from good to bad reciprocity. In this landmark text, Girard continues his study of violence in light of geopolitical competition, focusing on the roots and outcomes of violence across societies latent in the process of globalization. The volume concludes in a wide-ranging interview with the Sicilian cultural theorist Maria Stella Barberi, where Girard's twenty-first century emphases on the continuity of all religions, global conflict, and the necessity of apocalyptic thinking emerge.

Polluting the Sacred *BRILL*

Drawing on spiritual and legal sources, this book provides a novel perspective on how late medieval Christianity problematized parishioners' use of violence and how parishioners tried to reconcile the demands of their faith with

cultural norms that honored violent conduct.

Cannibalism *Fish Drum Magazine Press*

The Sacred and the Political *Bloomsbury Publishing USA*

What is the relationship between the sacred and the political, transcendence and immanence, religion and violence? And how has this complex relation affected the history of Western political reason? In this volume an international group of scholars explore these questions in light of mimetic theory as formulated by René Girard (1923-2015), one of the most original thinkers of our time. From Aristotle and his idea of tragedy, passing through Machiavelli and political modernity, up to contemporary biopolitics, this work provides an indispensable guide to those who want to assess the thorny interconnections of sacrality and politics in Western political thought and follow an unexplored yet critical path from ancient Greece to our post-secular condition. While looking at the past, this volume also seeks to illuminate the future relevance of the sacred/secular divide in the so-called 'age of globalization'.

Covenant and Conversation *Koren Pub*

Presents inspirational insights into the Book of Exodus from medieval and modern biblical scholars, philosophers, and historians.

Violence and the Sacred in the Ancient Near East

Fields of Blood *Anchor*

A sweeping exploration of religion and the history of human violence—from the New York Times bestselling author of

The History of God • “Elegant and powerful.... Both erudite and accurate, dazzling in its breadth of knowledge and historical detail.” —The Washington Post

In these times of rising geopolitical chaos, the need for mutual understanding between cultures has never been more urgent. Religious differences are seen as fuel for violence and warfare. In these pages, one of our greatest writers on religion, Karen Armstrong, amasses a sweeping history of humankind to explore the perceived connection between war and the world’s great creeds—and to issue a passionate defense of the peaceful nature of faith.

With unprecedented scope, Armstrong looks at the whole history of each tradition—not only Christianity and Islam, but also Buddhism, Hinduism, Confucianism, Daoism, and Judaism. Religions, in their earliest days, endowed every aspect of life with meaning, and warfare became bound up with observances of the sacred. Modernity has ushered in an epoch of spectacular violence, although, as Armstrong shows, little of it can be ascribed directly to religion. Nevertheless, she shows us how and in what measure religions came to absorb modern belligerence—and what hope there might be for peace among believers of different faiths in our time.
