International Law in the United States

Non Legality In International Law

As international lawyers make law, they make non-law. Understandings of extra-legality, illegality and the like help shape the limits of global political possibility. Fleur Johns explores how non-legality is crafted in areas ranging from torture to foreign investment and from climate change to disaster relief and explains why this matters.

Non-Legality in International Law

Fleur Johns' NON-LEGALITY IN INTERNATIONAL LAW is an intriguing and ambitious critique of the way in which international law scholars and practitioners are constrained to understand the effect that non-legality has in generating new, normative conceptions of international law. From her perspective "non-legality" consists of what could be interpreted as heuristic devices that are often overlooked by the legal community whenever scholars or practitioners analyze and apply legal concepts ...
