Strategic Management Governance And Ethics

This book responds to key issues in strategic management control by studying the interplay between ethics, social and environmental performance and governance.

Strategic Management Accounting, Volume III | SpringerLink

Information for management . Internal control and risk management are fundamental components of good corporate governance. Good corporate governance means that the board must identify and manage all risks for a company. To enable management to identify and manage risks and monitor internal controls within an organisation, they need adequate information flows from within the business.
