The accounts payable process or function is immensely important since it involves nearly all of a company's payments outside of payroll. The accounts payable process might be carried out by an accounts payable department in a large corporation, by a small staff in a medium-sized company, or by a bookkeeper or perhaps the owner in a small business. Regardless of the company's size, the mission of accounts payable is to pay only the company's bills and invoices that are legitimate and accurate.
