Constructive Theology A Contemporary Approach To Classical ...

The idea of 'constructive theology' will be explored through an analysis of five related themes: imagination, theological construction, relevance, context, and everyday practice. Course Goals To help students imaginatively engage the substantive proposals of Christian theology by carefully examining its classical and contemporary content, tasks, and methods.

Constructive Theology - Iliff School of Theology
Constructive theology

is the redefinition or reconceptualization of what historically has been known as systematic theology. The reason for this reevaluation stems from the idea that, in systematic theology, the theologian attempts to develop a coherent theory running through the various doctrines within the tradition. A potential problem underlying such study is that in constructing a system of theology, certain elements may be "forced" into a presupposed structure, or left out altogether, in o

Constructive theology - Wikipedia

One can do this in a historic sense, from classic on the left to contemporary on the right, or more of a

conviction/conclusion breakdown with conservative at one end and liberal at the other.* The first list I encountered was in my pre-doctoral prep when researching the discipline of Practical Theology I would often see the field contrasted with the 'Big 4' schools of theology:

Theological Approaches: Constructive and Comparative

Each chapter of "Constructive Theology" begins by looking over historical approaches to historical and contemporary themes in theology. These historical approaches include some foundational thinkers of the Christian faith. The remainder of the book speaks more to

the authors' social and political agendas than theology.
