manager. Therefore, certain skills and qualities, which are required for both management and leadership, are bound to overlap in the two systems.

Leadership vs. Management - Understanding the Differences ...

Management and leadership practises were once just a subject for TV sitcoms – the Office's David Brent, a master of 'management speak', was celebrated as an example of all that is bad about bosses.

What's the difference between leadership and management ...

Leadership is setting a new direction or vision for a group that they follow — i.e., a leader is the spearhead for that new direction. On the other hand, management controls or directs people/resources in a group according to principles or values that have already been established. The manager uses a formal, rational method whilst the leader uses passion and stirs emotions.
