International Space Law - Center for United Nations ...

The list of International Court of Justice cases includes contentious cases and advisory opinions brought to the International Court of Justice since its creation in 1946. Forming a key part of international law, 177 cases have been entered onto the General List for consideration before the court. The jurisdiction of the ICJ is limited. Only states have standing to bring a compulsory claim against another state, and then only with the consent of the responding state.

List of International Court of Justice cases - Wikipedia

The Court has a twofold role: to settle, in accordance with international law, legal disputes submitted to it by States (contentious cases) and to give advisory opinions (advisory procedures) on legal questions referred to it by duly authorized United Nations organs and specialized agencies.

Cases | International Court of Justice

Space law is the body of law governing space-related activities, encompassing both international and domestic agreements, rules, and principles. Parameters of space law include space exploration, liability for damage, weapons use, rescue efforts, environmental preservation, information sharing, new technologies, and ethics. The main methodological focus is State practice in this field. While there are volumes of commentary on space law written by very important academic writers that can assist this project, the fact remains that States make international law. Hence locating and analyzing State practice is the primary guiding principle in Woomera project research.

Military Space Operations and International Law

The international nature of space debris therefore necessitates that an international solution must be based on a 'level playing field'. The sustainable future of human activities in outer space, whether in exploration, communications, observation, broadcasting or navigation, and the growing applications of such activities on Earth, demands it — we all need to avoid the Kessler Effect.

Space debris: The legal issues - Royal Aeronautical Society

The EAT concluded that HR had gone beyond discussing and advising on issues of procedure and law, and the level of appropriate sanctions with a view to achieving consistency. These, according to the EAT, are the proper limits of HR's involvement. Read full case report... 2. Make use of an appeal to correct failings in the disciplinary process
