Although best known for his novels *The Collector*, *The Magus*, and *The French Lieutenant's Woman*, John Fowles is also a short story writer, a poet, a respected translator, and a prolific essayist. In his long literary career, he has managed the feats of welding stunning innovation to tradition, pushing the formal boundaries of literary fiction, and still capturing critical acclaim, popular success, and a worldwide readership. In *Conversations with John Fowles*, the first book of interviews devoted to the English writer, Dianne L. Vipond gathers over twenty of the most revealing interviews Fowles has granted in the last forty years. With critics, scholars, and journalists, he discusses his life, his art, his distinctive world view, and his special relationship with nature. Throughout his interviews, Fowles's remarkable consistency of thought is illuminated as he covers the meaning and genesis of his work. His uncompromising honesty and refreshing lack of guardedness are evident when he compares the naturalness of writing with eating or making love. From the 1960s through the 1990s, this master chronicler of the late half of the twentieth century reveals his serious engagement with social, political, and philosophical issues. He identifies himself with feminism, socialism, humanism, and the environmental movement, and he explores his recurring theme of personal, artistic, and socio-political freedom. His books, he says, "are about the difficulty of attaining personal freedom, especially in terms of discovering what one is." Any reader who has been intrigued, challenged, and entertained by his work in the past is sure to find these conversations spanning the writer's career to be stimulating and revealing. Dianne L. Vipond is a professor of English at California State University, Long Beach. A co-editor of the book *Literacy, Language, and Power*, she has published articles in *English Journal*, *Short Story*, *Twentieth Century Literature*, and the *Los Angeles Times*.

John Fowles *Routledge*

Conradi sees him as both realist and experimental, and in detailed analyses of *The Magus* and *The French Lieutenant's Woman* illuminates Fowles's use of literary genres – the romance (in particular), the detective story, the thriller, the Victorian novel, the tale of courtly love – to exploit and explode the conventions of that particular genre. Seduction, erotic quest, capture and betrayal are among the most important themes in Fowles's work to be considered here.

The Aristos *Random House*

Two years after *The Collector* had brought him international recognition and a year before he published *The Magus*, John Fowles set out his ideas on life in *The Aristos*. 'What I was really trying to define was an ideal of human freedom (the Aristos) in an unfree world,' wrote Fowles in 1965. He called a materialistic and over-conforming culture to reckoning with his views on a myriad of subjects - pleasure and pain, beauty and ugliness, Christianity, humanism, existentialism, socialism

John Fowles

Visionary and Voyeur *BRILL*

Best known as the author of *The French Lieutenant's Woman* and *The Magus*, John Fowles achieved both critical and popular success as a writer of profound and provocative fiction. In this innovative new study, Brooke Lenz reconsiders Fowles' controversial contributions to feminist thought. Combining literary criticism and feminist standpoint theory, *John Fowles: Visionary and Voyeur* examines the problems that women readers and feminist critics encounter in Fowles' frequently voyeuristic fiction. Over the course of his career, this book argues, Fowles progressively created women characters who subvert voyeuristic exploitation and who author alternative narratives through which they can understand their experiences, cope with oppressive dominant systems, and envision more authentic and just communities. Especially in the later novels, Fowles' women characters offer progressive alternative approaches to self-awareness, interpersonal relationships, and social reform – despite Fowles' problematic idealization of women and even his self-professed "cruelty" to the women in his own life. This volume will be of interest to critics and readers of contemporary fiction, but most of all, to men and women who seek a progressive, inclusive feminism.

Saturday *Vintage Canada*

From the pen of a master — the #1 bestselling, Booker Prize-winning author of *Atonement* — comes an astonishing novel that captures the fine balance of happiness and the unforeseen threats that can destroy it. A brilliant, thrilling page-turner that will keep readers on the edge of their seats. *Saturday* is a masterful novel set within a single day in February 2003. Henry Perowne is a contented man — a successful neurosurgeon, happily married to a newspaper lawyer, and enjoying good relations with his children. Henry wakes to the comfort of his large home in central London on this, his day off. He is as at ease here as he is in the operating room. Outside the hospital, the world is not so easy or predictable. There is an impending war against Iraq, and a general darkening and gathering pessimism since the New York and Washington attacks two years before. On this particular Saturday morning, Perowne's day moves through the ordinary to the extraordinary. After an unusual sighting in the early morning sky, he makes his way to his regular squash game with his anaesthetist, trying to avoid the hundreds of thousands of marchers filling the streets of London, protesting against the war. A minor accident in his car brings him into a confrontation with a small-time thug. To Perowne's professional eye, something appears to be profoundly wrong with this young man, who in turn believes the surgeon has humiliated him — with savage consequences that will lead Henry Perowne to deploy all his skills to keep his family alive.

In a dusty post-war summer in rural Warwickshire, a doctor is called to see a patient at *lonely Hundreds Hall*. Home to the Ayres family for over two centuries, the once grand house is now in decline, its masonry crumbling, its garden choked with weeds. All around, the world is changing, and the family is struggling to adjust to a society with new values and rules. Roddie Ayres, who returned from World War II physically and emotionally wounded, is desperate to keep the house and what remains of the estate together for the sake of his mother and his sister, Caroline. Mrs. Ayres is doing her best to hold on to the gracious habits of a gentler era and Caroline seems cheerfully prepared to continue doing the work a team of servants once handled, even if it means having little chance for a life of her own beyond *Hundreds*. But as Dr. Faraday becomes increasingly entwined in the Ayreses' lives,

signs of a more disturbing nature start to emerge, both within the family and in *Hundreds Hall* itself. And Faraday begins to wonder if they are all threatened by something more sinister than a dying way of life, something that could subsume them completely. Both a nuanced evocation of 1940s England and the most chilling-inducing novel of psychological suspense in years, *The Little Stranger* confirms Sarah Waters as one of the finest and most exciting novelists writing today.

The Devil All the Time *Anchor*

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

The Springtide of Life - Poems of Childhood - Illustrated by Arthur Rackham *Read Books Ltd*

The Springtide of Life – Poems of Childhood is an anthology, collected by Edmund Gosse, containing Algernon Charles Swinburne’s enchanting verses for children. Swinburne (1837 – 1909) was a celebrated English poet and playwright, who was nominated for the Nobel Prize in every year from 1903 to 1907, and again in 1909. His poems are here decorated with the delicate and romantic illustrations of Arthur Rackham. Gosse once told Rackham that ‘this volume will not merely be the best book of the present art-season, but a joy to all sensitive people for years and years to come.’ He was correct in his estimations, and this text continues to delight readers both young and old, almost a century after its initial publication. Arthur Rackham (1867-1939), was one of the most celebrated painters of the British Golden Age of Illustration (which encompassed the years from 1850 until the start of the First World War), Rackham’s artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text of ‘The Springtide of Life – Poems of Childhood’, his illustrations further refine and elucidate Swinburne and Gosse’s masterful storytelling.

When She Was Good *Vintage*

In this funny and chilling novel, the setting is a small town in the 1940s Midwest, and the subject is the heart of a wounded and ferociously moralistic young woman, one of those implacable American moralists whose "goodness" is a terrible disease. When she was still a child, Lucy Nelson had her alcoholic failure of a father thrown in jail. Ever since then she has been trying to reform the men around her, even if that ultimately means destroying herself in the process. With his unerring portraits of Lucy and her hapless, childlike husband, Roy, Roth has created an uncompromising work of fictional realism, a vision of provincial American piety, yearning, and discontent that is at

once pitiless and compassionate.

The Picture of Dorian Gray and Other Writings *Bantam Classics*

Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, *The Picture of Dorian Gray*; his last literary work, “*The Ballad of Reading Gaol*,” a product of his own prison experience; and four complete plays: *Lady Windermere’s Fan*, his first dramatic success, *An Ideal Husband*, which pokes fun at conventional morality, *The Importance of Being Earnest*, his finest comedy, and *Salomé*, a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety—a marvelous collection of outstanding works by the incomparable Oscar Wilde, who’s been aptly called “a lord of language” by Max Beerbohm.

The Loved One *Little, Brown*

"A work of art as rich and subtle and unnerving as anything its author has ever done" (*New Yorker*), *The Loved One* is Evelyn Waugh's cutting satire of 1940s California and the Anglo-American cultural divide. Following the death of a friend, the poet and pets' mortician Dennis Barlow finds himself entering the artificial Hollywood paradise of the Whispering Glades Memorial Park. Within its golden gates, death, American-style, is wrapped up and sold like a package holiday--and Dennis gets drawn into a bizarre love triangle with Aimée Thanatogenos, a naïve Californian corpse beautician, and Mr. Joyboy, a master of the embalmer's art. Waugh's dark and savage satire depicts a world where reputation, love, and death cost a very great deal.
