Jensen and King's cosmology draws from weaving and tailoring, as do the tools fabricators manipulate—thread, thimbles, scissors—and what they create with them. While the plot follows a familiar high-fantasy arc that occasionally dips into melodrama, the worldbuilding is dynamic, original and intriguing (if a tad schematic), and the characters, appealing.

Woven / Michael Jensen, David Powers King.

“Woven” by Michael Jensen and David Powers King. Woven brings an interesting premise: everything in the world is part of the unseen Great Tapestry, tended by a few Master Threaders who maintain it and make sure nothing tangles or unravels the fabric. But what happens if one of those Threaders decides they want to weave things according to their own will?
