Presidents And Assemblies Constitutional Design

Book description. In recent years renewed attention has been directed to the importance of the role of institutional design in democratic politics. Particular interest has concerned constitutional design and the relative merits of parliamentary versus presidential systems. In this book, the authors systematically assess the strengths and weaknesses of various forms of presidential systems, drawing on recent developments in the theoretical literature about institutional design and electoral ...

About the Authors. In recent years renewed attention has been directed to the importance of the role of institutional design in democratic politics. Particular interest has concerned constitutional design and the relative merits of parliamentary versus presidential systems. A virtual consensus has formed around the argument that parliamentary systems are preferable overall to presidential systems, due largely to the loss of power to the executive and assembly in presidential systems.
