On this whistle-stop tour of Roman York, Adam Parker gives us a tale of two cities. One is the military fortress, which was established in AD 70 or 71 and would shape the growth of the city long after the Romans left. Then there was the colonia, the civilian settlement that developed on the other side of the river. Over time, it acquired all the necessities of a grand city: public baths, townhouses decorated with mosaics, temples, monumental tombs that lined the roads into the city, and ...
