The Part about the Critics comprises a deceptively funny, often caperish prelude that slowly unravels and sets the scene for the horrors that will fully emerge and dominate 2666. Part 1's 159 pages are underpinned by a not immediately apparent but growing and terrible sense of foreboding that will eventually erode all else.

2666 is the last novel
by Roberto Bolaño. It

In many ways, The Part About Archimboldi deposits the reader back in the world of The Part About the Critics: a European world, insular, preoccupied with the struggle between nationalism and cosmopolitanism, and preoccupied with literature - preoccupied, in particular, with Benno von Archimboldi, the elusive novelist pursued by the critics of the first part, and here followed from his seaweed-obsessed boyhood, through his service as a soldier during the Second World War, and into his old age.
