The World Walker is one of the very few novels by relatively new authors, where I am tempted to compare the writing and plotting to that of really skilled SF and Fantasy writers like Dean Koonz. It is flawlessly executed and tightly written, with believable characters who have consistent back-stories.

About - World Walkers

The World Walker has that covered in spades! This is not an average science fiction story. I wouldn't even classify it as science fiction, even though there is a mysterious alien involved. Part of the book revolves around the supposed Alien Crash Site of 1947 Roswell, NM.
