The Berkley Braid Knot . Fold over the end of the line so you have 5-6 inches of doubled line, making a loop. Thread the end of the doubled line loop through the eye. Squeeze the end of the loop to form a point, this'll make this step much easier; Wrap the loop around the tag-end and the mainline 8 times. Start from the top and wrap towards the eye.

The Best Braided Line Knots For Fishing (Step-By-Step Guide)

Knotless braids have been around since the early 2000's but after years of being on the fringe of hair braiding they've taken over. The term knotless references the knot used to start traditional box braids. With traditional box braids, the braider would secure the braiding hair tightly to the scalp, forming a knot.
