The Ophthalmic Common Clinical Competency Framework ...

The Ophthalmic Common Clinical Competency Framework (OCCCF), developed in 2016, provides standards and guidance for the knowledge and skills required for non-medical eye healthcare professionals to deliver patient care in a multidisciplinary team setting. The Framework has been developed into a curriculum in 2019, with corresponding work-place based assessments and resources, covering four clinical areas; acute and emergency eye care, cataract assessment, glaucoma and medical retina.
