Fourth grade is a year when children are expected to take on new challenges, both socially and academically, and it's important to be on the lookout for signs of trouble in either of these realms.

Signs of Learning Trouble in Fourth Grade

My son is in fourth grade this year. He's always been a good student, but he lacks focus and organization. This year, he is at a new school, and they don't remind him to do things or jolt him back into reality when he's daydreaming. He's gone from being an A/B student to a C/D student. I don't want to waste time or let his self-esteem drop.
