The Letters Of Mina Harker

The Letters of Mina Harker is a dishy fictionalized memoir from SF literary illuminary Dodie Bellamy. As with other stuff I've seen from Dodie, a mix of beauty and vulgarity and sometimes a surprising combo of both at once. Vulgarity maybe isn't quite the right word. Explicit information. TMI (but you want to keep reading anyway).

Real: The Letters of Mina Harker and Sam d'Allesandro ...

Much of the plot of Bram Stoker's Dracula revolves around saving the soul of Mina Harker. Since February 1985 I've been corresponding in her persona with five writer friends. The letter form appeals to me because of its potential to blur the boundaries between private and public: information is exchanged between correspondents--the reader is both inside and outside this intimacy, conspirator as well as voyeur.

UW Press - : The Letters of Mina Harker, Dodie Bellamy

Bellamy's The Letters of Mina Harker challenges codes of social decorum and propriety, and their relationship to class, at every turn. In The Letters, Bellamy takes the form of the epistolary novel and wrests it from its "high" ground. She launches her culture bomb, exploding the discrete notions of anything that could be considered "natural," "authentic," "light," "naive," and makes something new and endlessly expandable, exponentially multiplying the details, descriptions, digressions ...
