Governing Insecurity - ZED Scholar

This book examines the governance of security and insecurity in developing and former communist countries that are becoming more democratic. The book asserts that to ensure the military is governed in a democratic manner, it requires that democratic institutions be in place, and a basic acceptance of democratic politics by the political leadership, civil servants and security personnel.

Governing Insecurity: Democratic Control of Military and ...

Democratic control of military and security institutions is strategic to democratisation for two reasons. Firstly, these institutions have an intimate relationship to political power. And secondly, their security functions, including the management of insecurities that may be generated by democratisation, are essential for the survival of any democratic state.
