Transitions: Making Sense of Life's Changes by William ...

In Transitions. Making Sense of Life’s Changes, Bridges first clarifies the distinction between change and transition, stating that our society confuses them constantly. He writes that change is one’s move to a new city, their shift to a new job, the birth of a baby, or the death of a loved one. In other words, change is situational.

Book Summary: "Transitions" by William Bridges - JFD ...

Life becomes more volatile, uncertain, complex and ambiguous, humanity’s capability to navigate transition becomes even more important. Bridge’s concept of a “neutral zone” in the middle of transitions is powerful: benefitting from that zone in the midst of the angst which transition usually brings is an immensely helpful approach with longlasting personal and broader impact.
