Interpretation, Revision and Other Recourse from ...

The practice demonstrates that interpretation, which does not touch on the res iudicata effect, is easier to handle than revision. Interpretation requests are decided in a one-stage procedure, while revision takes two stages, the first being devoted merely to questions of admissibility and the second, which until today has never been reached, concerning the merits.

Interpretation, Revision and Other Recourse from ...

The Supreme Court recently confirmed several important starting points relevant to the periodisation of an insurance event for the assessment of cover. The ruling addressed issues relating to both defining insurance periods and determining when insurance events occur. The Supreme Court also addressed the question of what is required to revise an insurance agreement pursuant to Section 36 of ...
