Medical Financial Hardship Guidelines

Read Free Medical Financial Hardship Guidelines in accordance with a uniform hardship policy. As a general rule, the practice should not routinely waive co-pays or deductibles, or offer discounts based on a patient's statement that the patient is suffering from financial hardship. Cutting Patients a Break:

Medical Financial Hardship Guidelines

Despite financial hardship, network providers may not waive or reduce copayments, co-insurance, or deductibles. If true financial hardship exists, providers may reduce or waive their charges (but not copays/deductibles) provided financial hardship has been clearly established and supporting documentation is maintained in the health care record. If you plan to reduce or waive your charges, you must have policies specifically addressing this included in your practice's written compliance plan.

Policies and Procedures # A7 Subject: HARDSHIP

In a 401 (k) plan, hardship distributions can generally only be made from accumulated: elective deferrals (not from earnings on elective deferrals) employer nonelective contributions (sometimes referred to as "profit-sharing contributions") and. regular matching contributions. A plan may, but isn't required to, apply the same conditions to hardship distributions of employer nonelective and regular matching contributions as it applies to hardship distributions of elective deferrals.
