Women, Work and Family by Louise A. Tilly

Work and family are both central to our daily lives. Attempting to balance more numerous and complex work and family roles is a source of stress for many of us, mainly because it causes role strain and spillover. Role strain occurs when the responsibilities of one role interfere with your ability to fulfill the other roles in your life.

Women still bear heavier load than men in balancing work ...

Young Women, Work and Family in England 1918–1950 is in almost every respect an admirable book—it does what it says on the jacket and its footnotes catalogue the rich evidence for this important topic. My only regret is that, for the reader, the dense and properly cautious text is sometimes hard-going and may defeat less-confident student readers.
