Gym Bodies *Routledge*

Drawing on empirical research, this fascinating new book explores the embodied experiences of 'gym goers' and the fitness cultures that are constructed within gyms and fitness spaces. *Gym Bodies* offers a personal, interactive, ethnographic account of the multiplicity of contemporary gym practices, spaces and cultures, including bodybuilding, CrossFit and Spinning. It argues that gym bodies are historically constructed, social, sensual, emotional and political; that experience intersects with multiple embodied identities; and that fitness cultures are profoundly important in shaping the body in wider contemporary culture. This is important reading for students, tutors and researchers working in sport and exercise studies, sociology of the body, health studies, leisure, cultural studies, gender and education. It is also a valuable resource for policy makers and practitioners within the fields of sport, leisure, health and education.

Under His Dominance *Totally Entwined Group (USA+CAD)*

FROM EXCITING ROMANCE AUTHOR JASMINE HILL A Dark and Deadly dark romance story Can he keep her forever, under his dominance? Asmodeus is the Archdemon of lust. Ever since he became a fallen angel, he's been walking the earth, inciting and encouraging lust and lechery amongst mankind. In his guise of Barrett Lord, he rules over an empire of clubs that cater to the lustful urges and fetishes of humans. When he spots Arianell Monroe at his annual Halloween party, he determines to have her. Her angelic beauty and innocence are too much for him to ignore. He wants to take her purity as his own, corrupt her and ruin her for any other man. And he's going to start by introducing her to his private BDSM dungeon. Arianell is fascinated by BDSM, but her shyness, coupled with the reactions others have had to her albinism, has kept her from exploring her curiosity. But something about Barrett Lord puts her instantly at ease. She's immediately attracted to the powerful and dominant club owner and finds herself quickly sucked into his heady orbit. She naturally submits to his commanding alpha presence and sexual dominance but determines to set her heart and head against him. Even she knows that he's not the sort of man who will commit—to anything. Arianell is special and Asmodeus wants to keep her, but to do so, he'll have to risk everything. Will she agree to his plans? Or will he lose her forever?
