### Economic Literacy Basic Economics With An Attitude [EBOOK]

Economic literacy is also about an ability to decode language and engage with ideas and our social choices, which might go some way to helping overcome our economic communication problem in the UK (Only 12% of us find politicians speak about the economy in an accessible way we can easily understand). The sum of this is bigger than its parts.

**What is ‘economic literacy’?. We’re always hearing about ...**

The Test of Economic Literacyis a nationally normed and standardized test for measuring the achievement of high school students in economics. This test has a long and distinguished history of use in schools across the United States for assessing what high school students know about basic economic concepts.
