Why should you give special consideration to an "artistic intervention"? This is an unconventional approach where people from the arts bring their talents, skills and tools into an organization with the purpose of triggering or supporting change for the individual, group, or whole organization.

ARTISTIC Interventions | Enriching Organizations through ...

Barry and Meisiek propose a typology of "workarts", namely art collection, artist-led intervention, and artistic experimentation (2010: 1507), which corresponds to the threefold characterization in our definition of artistic interventions, namely processes bringing people, practices, and products from the world of the arts into the world of organizations. In practice, the typological differentiations from the literature are blurred and activities often combine two or three of these elements.
