Like few books before it, The Great American Gun Debate: Essays on Firearms and Violence, by Don B. Kates Jr. and Gary Kleck, pulls together the paramount sociological and criminological issues involved in this very public debate. The result is a readable, concise, and convincing argument that prohibiting civilian firearms possession is an ineffective - in deed, a counterproductive - means to deal with America's crime problem.

Gun rights supporters argue that, since statistics do not prove that gun control reduces gun crime (an argument refuted by gun control advocates), the government does not have enough reason to intrude on the constitutionally protected rights of law-abiding American citizens. In opposition, gun control supporters

argue that the Constitution also embodies the government’s duty to ensure the safety of its citizens.
