For 4th through 6th graders, the CCSS requirements for reading skills ratcheted up with the intent to require students to develop their skills in terms of identifying key ideas, details, craft, structure, and test their threshold for integration of knowledge and ideas. For example, a 4th grader must learn to refer to specific details when summarizing a reading (whether orally or in written form) as well as explain their understanding of characters, settings, or events. 5th graders should ...
