McRobbie trenchantly argues that it is precisely on these grounds that invidious forms of gender -re-stabilisation are able to be re-established. Consumer culture, she argues, encroaches on the terrain of so called female freedom, appears supportive of female success only to tie women into new post-feminist neurotic dependencies.

The Aftermath of Feminism: Gender, Culture and Social ...

A turning point in feminist theory, The Aftermath of Feminism will set a new agenda for gender studies and cultural studies. Consisting of six chapters, McRobbie articulates several interconnected arguments in her exploration of contemporary operations of gender, power and popular culture.
