A Raisin in the Sun *Modern Library*

"Never before, the entire history of the American theater, has so much of the truth of black people's lives been seen on the stage," observed James Baldwin shortly before A Raisin in the Sun opened on Broadway in 1959. Indeed Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of black America--and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to A Raisin in the Sun," said The New York Times. "It is as if history is conspiring to make the play a classic." This Modern Library edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff.

Lorraine Hansberry: The Life Behind A Raisin in the Sun *Henry Holt and Company*

The moving story of the life of the woman behind A Raisin in the Sun, the most widely anthologized, read, and performed play of the American stage, by the New York Times bestselling author of Mockingbird: A Portrait of Harper Lee Written when she was just twenty-eight, Lorraine Hansberry's landmark A Raisin in the Sun is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

Twelve Angry Men *Penguin*

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. The landmark play A Raisin in the Sun takes its title from a Langston Hughes poem which poses the questions "What happens to a dream deferred? Does it dry up like a raisin in the sun?" Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the plays exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

Pan-Africanism and Black Assimilation in Lorraine Hansberry's "A Raisin in the Sun"

Seminar paper from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Hamburg, language: English, abstract: This seminar paper explains the historical and biographical background of Lorraine Hansberry's writing "A Raisin in the Sun". The African American intelligentsia has always been torn between assimilating into a society built by and for white people, and the longing for a deeper connection with Africa and its cultures. Hansberry, the most talented African American playwright of the post-war era, tackles this issue by using two male figures as antagonists in her play which is one of the all-time classics of black American literature. Apart from its witty dialogues and the realistic and authentic characters, the many issues the play comments on make it stand out. For an analyst of literature, there are many possibilities of examining it further. One possibility could be the role segregation (and the struggle to overcome it) plays in "A Raisin in the Sun", since Lorraine Hansberry's father fought in court for his right to move into a predominately white neighborhood. Another way of studying the play could perhaps lay the focus onto Hansberry's feminism and the representation of gender roles in it, since it features various strong female characters. One could also analyze the play as a comment on capitalist ideology, the American dream and the poor's desperate quest for material well-being. However, I decided to analyze the actions of two characters that symbolically stand for two different ways African Americans can choose: identification with blackness and Africa and assimilationism are represented by the characters of Asagai and George Murchison, respectively. The stark contrast between the two, the scenario of Beneatha choosing between them, and the way Hansberry employed the literary technique of personification were the reason this aspect of the play appeared the most interesting.

Summary and Analysis of a Raisin in the Sun *Createspace Independent Publishing Platform*

A Raisin in the Sun is a play by Lorraine Hansberry that debuted on Broadway in 1959. The title comes from the poem "Harlem" (also known as "A Dream Deferred") by Langston Hughes. The story tells of a black family's experiences in the Washington Park Subdivision of Chicago's Woodlawn neighborhood as they attempt to "better" themselves with an insurance payout following the death of the father. The New York Drama Critics' Circle named it the best play of 1959. Walter and Ruth Younger, their son Travis, along with Walter's mother Lena (Mama) and Walter's sister Beneatha, live in poverty in a dilapidated one-bedroom apartment on Chicago's south side. Walter is barely making a living as a limousine driver. Though Ruth is content with their lot, Walter is not and desperately wishes to become wealthy. His plan is to invest in a liquor store in partnership with Willy and Bobo, street-smart acquaintances of Walter's. At the beginning of the play, Walter and Beneatha's father has recently died, and Mama is waiting for a life insurance check for \$10,000. Walter has a sense of entitlement to the money, but Mama has religious objections to alcohol and Beneatha has to remind him it is Mama's call how to spend it. Eventually Mama puts some of the money down on a new house, choosing an all-white neighborhood over a black one for the practical reason that it happens to be much cheaper. Later she relents and gives the rest of the money to Walter to invest with the provision that he reserve \$3,000 for Beneatha's education. Walter passes the money on to Willy's naive sidekick Bobo, who gives it to Willy, who absconds with it, depriving Walter and Beneatha of their dreams, though not the Youngers of their new home. Meanwhile, Karl Lindner, a white representative of the neighborhood they plan to move to, makes a generous offer to buy them out. He wishes to avoid neighborhood tensions over interracial population, which to the three women's horror Walter prepares to accept as a solution to their financial setback. Lena says that while money was something they try to work for, they should never take it if it was a person's way of telling them they weren't fit to walk the same earth as them.

A Drama in Two Acts *Samuel French, Inc.*

This is the probing, hilarious and provocative story of Sidney, a disenchanted Greenwich Village intellectual, his wife Iris, an aspiring actress, and their colorful circle of friends and relations. Set against the shenanigans of a stormy political campaign, the play follows its characters in their unorthodox quests for meaningful lives in an age of corruption, alienation and cynicism. With compassion, humor and poignancy, the author examines questions concerning the fragility of love, morality and ethics, interracial relationships, drugs, rebellion, conformity and especially withdrawal from or commitment to the world.

"Animal Farm" was composed by George Orwell and distributed in 1945 and it is considered by numerous his best book. This novel is a moral story - despite the fact that it is set on a homestead and stars a cast of livestock, it mirrors the occasions of the Russian upset of 1917. The creatures are for the most part cunning portrayals of Russian government officials, electors and laborers. Orwell utilized the novel to make his perspectives on Russian pioneers heard.

Using Informational Text to Teach A Raisin in the Sun *Rowman & Littlefield*

The Common Core State Standards mean major changes for language arts teachers, particularly the emphasis on “informational text.” How do we shift attention toward informational texts without taking away from the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. Using Informational Text to Teach Literature is designed to help. In this second volume (the first volume is on To Kill a Mockingbird), we offer informational texts connected to

Lorraine Hansberry’s A Raisin in the Sun. Readings range in genre (commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing, and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The Using Informational Text to Teach Literature series is an invaluable supportive tool.
