However, Roger Jennings (the author of Access 2010 In Depth) has been writing about Access for a long time, and also knows it well. You might consider thinking of 2 or 3 specific issues you've

been having using Access, then see whether you can find solutions to those specific issues in the two books. Doug Steele, Microsoft Access MVP

Access In depth Vs Access Inside Out - Microsoft Community

microsoft access 2010 in depth is available in our digital library an online access to it is set as public so you can get it instantly. Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Microsoft Access 2010 In Depth - chimerayanartas.com

I love Microsoft Access 2010 In Depth for its depth and richness. However, I hate the book because it's not complete! It contains just two third of the content, the rest has to be read online. This is definitely not a good idea and I will never again buy a book with this combination. Either it's a book, or an e-book, it can't be both at the same time.
