A History of Alcoholics Anonymous | Rehab 4 Addiction

Alcoholics Anonymous approached alcoholism as more a medical disease than the moral failing the Oxford Group promoted. They believed the alcoholic was in a state of insanity, rather than a state of sin. Alcoholics Anonymous also promoted the idea that the alcoholic was hopeless and powerless against alcohol once they started drinking. From this, several other principles soon emerged that differed, such as the idea of attraction rather than promotion and the concept of a higher power versus ...
