The better of the remaining papers in Art and Ethical Criticism are interesting and suggestive, but they all share the fault of not going beyond being interesting and suggestive. Wilson's attempt to bring Coetzee's novel to bear on Williams's work is intricate

and subtle, but it never becomes clear whether she thinks that this tells us anything interesting about Coetzee's book, about literature, or about philosophy; on the contrary, one is left wondering whether Coetzee's book is ...

The great majority of recent works on the topic, however, are focused on an assessment of the arguments in favor or against ethical criticism, with a particular emphasis on the criticism of representational works of art. Other issues at the intersection of art and morality are the concept of the obscene, the value of pornography, and censorship.

Art and Morality - Philosophy - Oxford Bibliographies

Dorian – via his wish to remain handsome, while the painting bears the weight of his corruption – muddies the boundary between art and life, aesthetics and ethics. The painting is made to serve a moral purpose, being transformed from an object of beauty into a vile record of guilt, something 'bestial, sodden and unclean' (chapter 10).
