Product and process writing: A comparison ...

In writing pedagogy, there are at least two major ways of seeing writing. These two approaches see writing as a process or as a product. This post will explain each along with some of the drawbacks of both. Writing as a Product. Writing as

a product entailed the teacher setting forth standards in terms of rhetoric, vocabulary use, organization, etc. The students were given several different examples that could be used as models from which to base their own paper.
