Lehne's Pharmacology for Nursing Care: Burchum DNSc APRN ...

In this text, the guiding principle is to establish a basic understanding of drugs, after which secondary details can be learned as needed. This text has two major objectives: (1) to help you, the nursing student, establish a knowledge base in the basic science of drugs, and (2) to show you how that knowledge can be applied in clinical practice. The methods by which these goals are

achieved are described in the following sections.
