Introduction to Sociology 4th (fourth) Edition by Basirico ...

I don't know whether it's sociology's fault
or the authors', but either way the book
contained little more than trivialities and
the obvious. Though I had what was
ostensibly the 2012 edition of the book,
much of the text seemed to have been
written in the 1990s, while multiple
lapses in basic grammar sometimes left
me wondering whether the sense of the
text had been affected.
