David Waller's new book 'Iron Men' explains how. Back in the early 19th century, London was the equivalent of today's Silicon Valley, with a technology cluster in Lambeth inspired by one man. Although his name won't spring to the tip of the tongue as freely as other great 19th-century engineers such as Stephenson or Brunel, his impact on how Britain became a truly industrialised nation was just as significant, and possibly more so.
