Warning This is an independent addition to Just Mercy, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. This review of Just Mercy: A Story of Justice and Redemption, by Bryan Stevenson, provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book. The main theme explored in the book is the

injustice of our criminal justice system. The author uses the case of Walter McMillian's wrongful conviction of murder and imprisonment as an overarching example of how the U.S. justice system does not prosecute fairly. The author focuses on how race, socioeconomic status, and even age have an effect on how certain criminals are convicted. Stevenson uses his personal experience as a lawyer for the Equal Justice Initiative and more than 25 years fighting for the rights of people who could not afford legal counsel as a basis for this novel. Through his own experiences, the author makes the case that it is often the people on the fringe of society who need proper justice and mercy, and yet, they are the ones who are least likely to receive it. By sharing his own case work, the author demonstrates how unjust death penalty convictions have been over the past fifty years and how hard it is to truly make change in the system. The central thesis of the work is that we are more than the worst things we have done. Yet, we live in a country that will, on the basis of one poor choice or decision, condemn a person to life in prison, or worse, death. Even further, law enforcement often targets those who have neither the money nor education to fight back, and this has had a direct correlation to the rise in mass incarceration over the past century. The author's purpose is to shine a light on this and bring about the kind of change that uses mercy as its own form of justice. Bryan Stevenson is a lawyer, social justice activist, and the founder of the Equal Justice Initiative. He attended Eastern University and graduated in 1981. After that he attended Harvard Law School where he found his career calling by working for the Southern Center for Human Rights.

He has since traveled the country, working for EJI, and speaking about the politics and social injustice of the prison system and death penalty. Available on PC, Mac, iphone, android, tablet or Kindle device. (c) 2016 All Rights Reserved

Kingdom Race Theology

God's Answer to Our Racial Crisis *Moody Publishers*

The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan "black lives matter." The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God's Word as the solution. *Kingdom Race Theology* helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice.

Alabama Noir Akashic Books

Alabama joins Mississippi as fertile Deep South soil for the Noir Series. "A beautifully engineered anthology of 16 crime and mystery stories that are heavy on setting, atmosphere, and human emotion." --Mystery Scene "Each story springs from a particular place, actual streets, honkytonks or stomping grounds any Alabamian may have walked." --Tuscaloosa News One of the Southern Review of Book's Best Southern Books of April 2020 One of Alabama.com's 10 recent books with Alabama ties you'll want to read "Alabama Noir is known for its fertile deep-south perspective and encounters troubles and foibles galore as well as darkness in many forms." --Birmingham Times "Short fiction is alive and well in Alabama...There is not a single story unworthy of this collection infused with Alabama settings, and all readers will find tasty literary morsels to their liking." --Alabama Writers' Forum "If the darkness suits you, there's a new anthology to suit your shadowy heart...[Alabama Noir] holds 16 tales packed with sinister ambition, iniquity, revenge and the prices we pay for our schemes." --Lagniappe Weekly "Alabama Noir presents a group of stories diverse in their approach, their subject matter, their sub-genre, their influences, and their political perspective, and it can be fascinating to see how those varied

influences intersect." --Another Chicago Magazine "Banish any boredom with a descent into Alabama Noir." --Southern Review of Books "The 16 tales in this entertaining Akashic noir anthology cover the entire state of Alabama...The flaws are few and far between, and as is so often the case for the series, each contributor consistently embraces the setting." --Publishers Weekly "Especially and unreservedly recommended." --Midwest Book Review Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Brand-new stories by: Ace Atkins, Tom Franklin, Anita Miller Garner, Suzanne Hudson, Kirk Curnutt, Wendy Reed, Carolyn Haines, Anthony Grooms, Michelle Richmond, Winston Groom, Ravi Howard, Thom Gossom Jr., Brad Watson, Daniel Wallace, D. Winston Brown, and Marlin Barton. From the introduction by Don Noble: Some locales seem to come with their own soundtrack. Don Ho and his tiny bubbles provide the background music for Hawaii, Edith Piaf for Paris. The reggae of Bob Marley evokes Jamaica. The soundtrack for Alabama is without question provided by our troubled troubadour Hank Williams. The 2016 biography Hank by Mark Ribowsky paints a dark picture of the musician's short, alcoholic, drug-filled life: a life of loneliness and pain. He goes so far as to call Hank's life story "noir-ish"... In Alabama Noir we encounter "troubles and foibles" galore, darkness in many forms. The stories range from the deadly grim to some that are actually mildly humorous. We see desperate behavior on the banks of the Tennessee River, in the neighborhoods of Birmingham, in the

affluent suburbs of Mobile, in a cemetery in Montgomery, and even on the deceptively pleasant beaches of the Gulf of Mexico. Fans of noir should all find something to enjoy.

Anatomy of Injustice

A Murder Case Gone Wrong *Vintage*

In January 1982, an elderly white widow was found brutally murdered in a small town of Greenwood, South Carolina. The arrest and conviction of Edward Lee Elmore, a semiliterate, mentally retarded black man with no previous felony record is a textbook example of what can go wrong in the American justice system. With the exemplary moral commitment and tenacious investigation that have distinguished his reporting career, Raymond Bonner follows the efforts of a courageous young attorney, Dianna Holt, to save Elmore's life. -- from back cover.

The Sun Does Shine

How I Found Life and Freedom on Death Row (Oprah's Book Club Summer 2018 Selection) *Saint Martin's Griffin*

A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. "An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity." - Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice

for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence--full of despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon--transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of *Just Mercy*, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, *The Sun Does Shine* is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir tells his dramatic thirty-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

Decriminalizing Domestic Violence

A Balanced Policy Approach to Intimate Partner Violence *Univ of California Press*

Decriminalizing Domestic Violence asks the crucial, yet often overlooked, question of why and how the criminal legal system became the primary response to intimate partner violence in the United States. It introduces readers, both new and well versed in the subject, to the ways in which the criminal legal system harms rather than helps those who are subjected to abuse and violence in their homes and communities, and shares how it drives, rather than deters,

intimate partner violence. The book examines how social, legal, and financial resources are diverted into a criminal legal apparatus that is often unable to deliver justice or safety to victims or to prevent intimate partner violence in the first place. Envisioned for both courses and research topics in domestic violence, family violence, gender and law, and sociology of law, the book challenges readers to understand intimate partner violence not solely, or even primarily, as a criminal law concern but as an economic, public health, community, and human rights problem. It also argues that only by viewing intimate partner violence through these lenses can we develop a balanced policy agenda for addressing it. At a moment when we are examining our national addiction to punishment, *Decriminalizing Domestic Violence* offers a thoughtful, pragmatic roadmap to real reform.

A Perilous Path

Talking Race, Inequality, and the Law *The New Press*

A no-holds-barred, red-hot discussion of race in America today from some of the leading names in the field, including the bestselling author of *Just Mercy* This blisteringly candid discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and oppression,

these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as “the commonality of pain,” “when lawyers are heroes,” and the concept of an “equality dividend” that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, Ifill, Lynch, Stevenson, and Thompson also explore topics such as “when did ‘public’ become a dirty word” (hint, it has something to do with serving people of color), “you know what Jeff Sessions is going to say,” and “what it means to be a civil rights lawyer in the age of Trump.” Building on Stevenson’s hugely successful *Just Mercy*, Lynch’s national platform at the Justice Department, Ifill’s role as one of the leading defenders of civil rights in the country, and the occasion of Thompson’s launch of a new center on race, inequality, and the law at the NYU School of Law, *A Perilous Path* will speak loudly and clearly to everyone concerned about America’s perpetual fault line.

New Power

How Power Works in Our Hyperconnected World--and How to Make It Work for You *Random House Canada*

From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world. For the vast majority of human history, power has been held by the few.

"Old power" is closed, inaccessible, and leader-driven. Once gained, it is jealously guarded, and the powerful spend it carefully, like currency. But the technological revolution of the past two decades has made possible a new form of power, one that operates differently, like a current. "New power" is made by many; it is open, participatory, often leaderless, and peer-driven. Like water or electricity, it is most forceful when it surges. The goal with new power is not to hoard it, but to channel it. New power is behind the rise of participatory communities like Facebook and YouTube, sharing services like Uber and Airbnb, and rapid-fire social movements like Brexit and #BlackLivesMatter. It explains the unlikely success of Barack Obama's 2008 campaign and the unlikelier victory of Donald Trump in 2016. And it gives ISIS its power to propagate its brand and distribute its violence. Even old power institutions like the Papacy, NASA, and LEGO have tapped into the strength of the crowd to stage improbable reinventions. In *New Power*, the business leaders/social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty-first century. Drawing on examples from business, politics, and social justice, they explain the new world we live in--a world where connectivity has made change shocking and swift and a world in which everyone expects to participate.

ABOUT BOOK: Just Mercy (2014) is a walk through the American criminal justice system of the 1980s. Dressed in Dreams

A Black Girl's Love Letter to the Power of Fashion *St. Martin's Press*

One of Essence's "10 Books We're Dying To Toss Into Our Summer Totes" From sneakers to leather jackets, a bold, witty, and deeply personal dive into Black America's closet In this highly engaging book, fashionista and pop culture expert Tanisha C. Ford investigates Afros and dashikis, go-go boots and hotpants of the sixties, hip hop's baggy jeans and bamboo earrings, and the #BlackLivesMatter-inspired hoodies of today. The history of these garments is deeply intertwined with Ford's story as a black girl coming of age in a Midwestern rust belt city. She experimented with the Jheri curl; discovered how wearing the wrong color tennis shoes at the roller rink during the drug and gang wars of the 1980s could get you beaten; and rocked oversized, brightly colored jeans and Timberlands at an elite boarding school where the white upper crust wore conservative wool shift dresses. *Dressed in Dreams* is a story of desire, access, conformity, and black innovation that explains things like the importance of knockoff culture; the role of "ghetto fabulous" full-length furs and colorful leather in the 1990s; how black girls make magic out of a dollar store t-shirt, rhinestones, and airbrushed paint; and black parents' emphasis on dressing nice. Ford talks about the pain of seeing black style appropriated by the mainstream fashion industry and fashion's power, especially in middle America. In this richly evocative narrative, she shares her lifelong fashion revolution—from figuring out her own

personal style to discovering what makes Midwestern fashion a real thing too.

Ruth Bader Ginsburg

A Life *Vintage*

In this comprehensive, revelatory biography--fifteen years of interviews and research in the making--historian Jane Sherron De Hart explores the experiences that shaped Ruth Bader Ginsburg's passion for justice, her advocacy for gender equality, and her meticulous jurisprudence. At the heart of her story is her Jewish background and the concept of tikkun olam, the Hebrew injunction to "repair the world," with its profound meaning for a young girl who grew up in the shadow of the Holocaust. Ginsburg's journey begins with her mother, who died tragically young but whose intellect inspired her daughter's feminism. It stretches from Ginsburg's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia law schools; to becoming one of the first female law professors in the country, fighting for equal pay and hiding her second pregnancy to avoid losing her job; to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even before being nominated in 1993 to become the second woman on the Court, where her crucial decisions and dissents are still making history. Intimately and personally told, this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence, American society, and our American character will reverberate deep into the

twenty-first century and beyond. -- Publisher's description.

Dreamers *Holiday House*

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book.
