becoming a teacher knowledge skills and issues

In the teacher recruitment and retention strategy published in January, the government committed to helping great people become teachers and making sure they receive high-quality teacher training.

Changes to the professional skills test for teachers - GOV.UK

Teachers need academic knowledge in the subject matter they're expected to teach. An elementary school teacher, for example, must master basic skills in a variety of subjects, including arithmetic, language arts, social sciences and science. Depending on the curriculum, she may also need some skills in art and music.
