Multicultural Education in South Korea. Posted on February 19, 2015 by internationalednews | Leave a comment. Over the past decade or so, South Korea (as well as Taiwan and Japan) has experienced a wave of immigration that has resulted in an increasingly ethnic and racially diverse population. The issue has received considerable attention—from the media, as well as from politicians—as the country works to find ways to address the needs of multicultural population, as well as a rising ...

Multicultural Education in South Korea | International ...

Multicultural education is a growing interest in South Korea and is viewed as a way to respond to the multicultural challenges

resulting from the recently increasing number of foreign migrants and international marriages. The primary purpose of this study was to explore how multicultural education is contextualized in South Korea.
