When I see this, it's hard not to get emotional. It's hard not to feel dread and hope at the same time. It's hard not to feel joy and anger. In one picture I see the past disappear in a dark abyss of hopelessness and deep despair and in the other I see a joyous future so full of unlimited hope and incredible brightness.

Although the fairy tale is a distinct genre within the larger category of folktale, the definition that marks a work as a fairy tale is a source of considerable dispute. The term itself comes from the translation of Madame D'Aulnoy's Conte de fées, first used in her collection in 1697. Common parlance conflates fairy tales with beast fables and other folktales, and scholars differ on the ...
