The legalities of nursing documentation : Nursing2020

In general, advanced practice nursing requires specific qualifications including an advanced degree in a specific area of expertise. Advanced practice nursing may also require certification by a national association and specific licensing by the state through the board of nursing. The state boards of nursing may define the nursing scope of practice through statutes.

Chapter 3: Legal Aspects of Nursing

Registered practitioners are also accountable to regulatory bodies in terms of standards of practice and

patient care. Registered nurses and midwives are professionally accountable to the Nursing and Midwifery Council (NMC). The law imposes a duty of care on practitioners, whether they are HCAs, APs, students, registered nurses, doctors or others.
