Musculoskeletal Manual Medicine: Diagnosis and Treatment ...

Manual medicine, one of the oldest healing arts, constitutes that medical discipline in which practitioners apply their hands skillfully in both the diagnostic and therapeutic management of painful neuro-musculo-skeletal disorders and various diseases.

Manual Medicine—An Overview | Musculoskeletal Key

The decision to use ultrasound or MRI to diagnosis musculoskeletal pathology has depended on the imager's level of experience and the accessibility of these modalities in the hospital. The current choice of ultrasound in the pediatric population is based on a diagnosis that can be rendered within minutes of performing the ultrasound examination and the ability to image multiple joints in one examination period.
